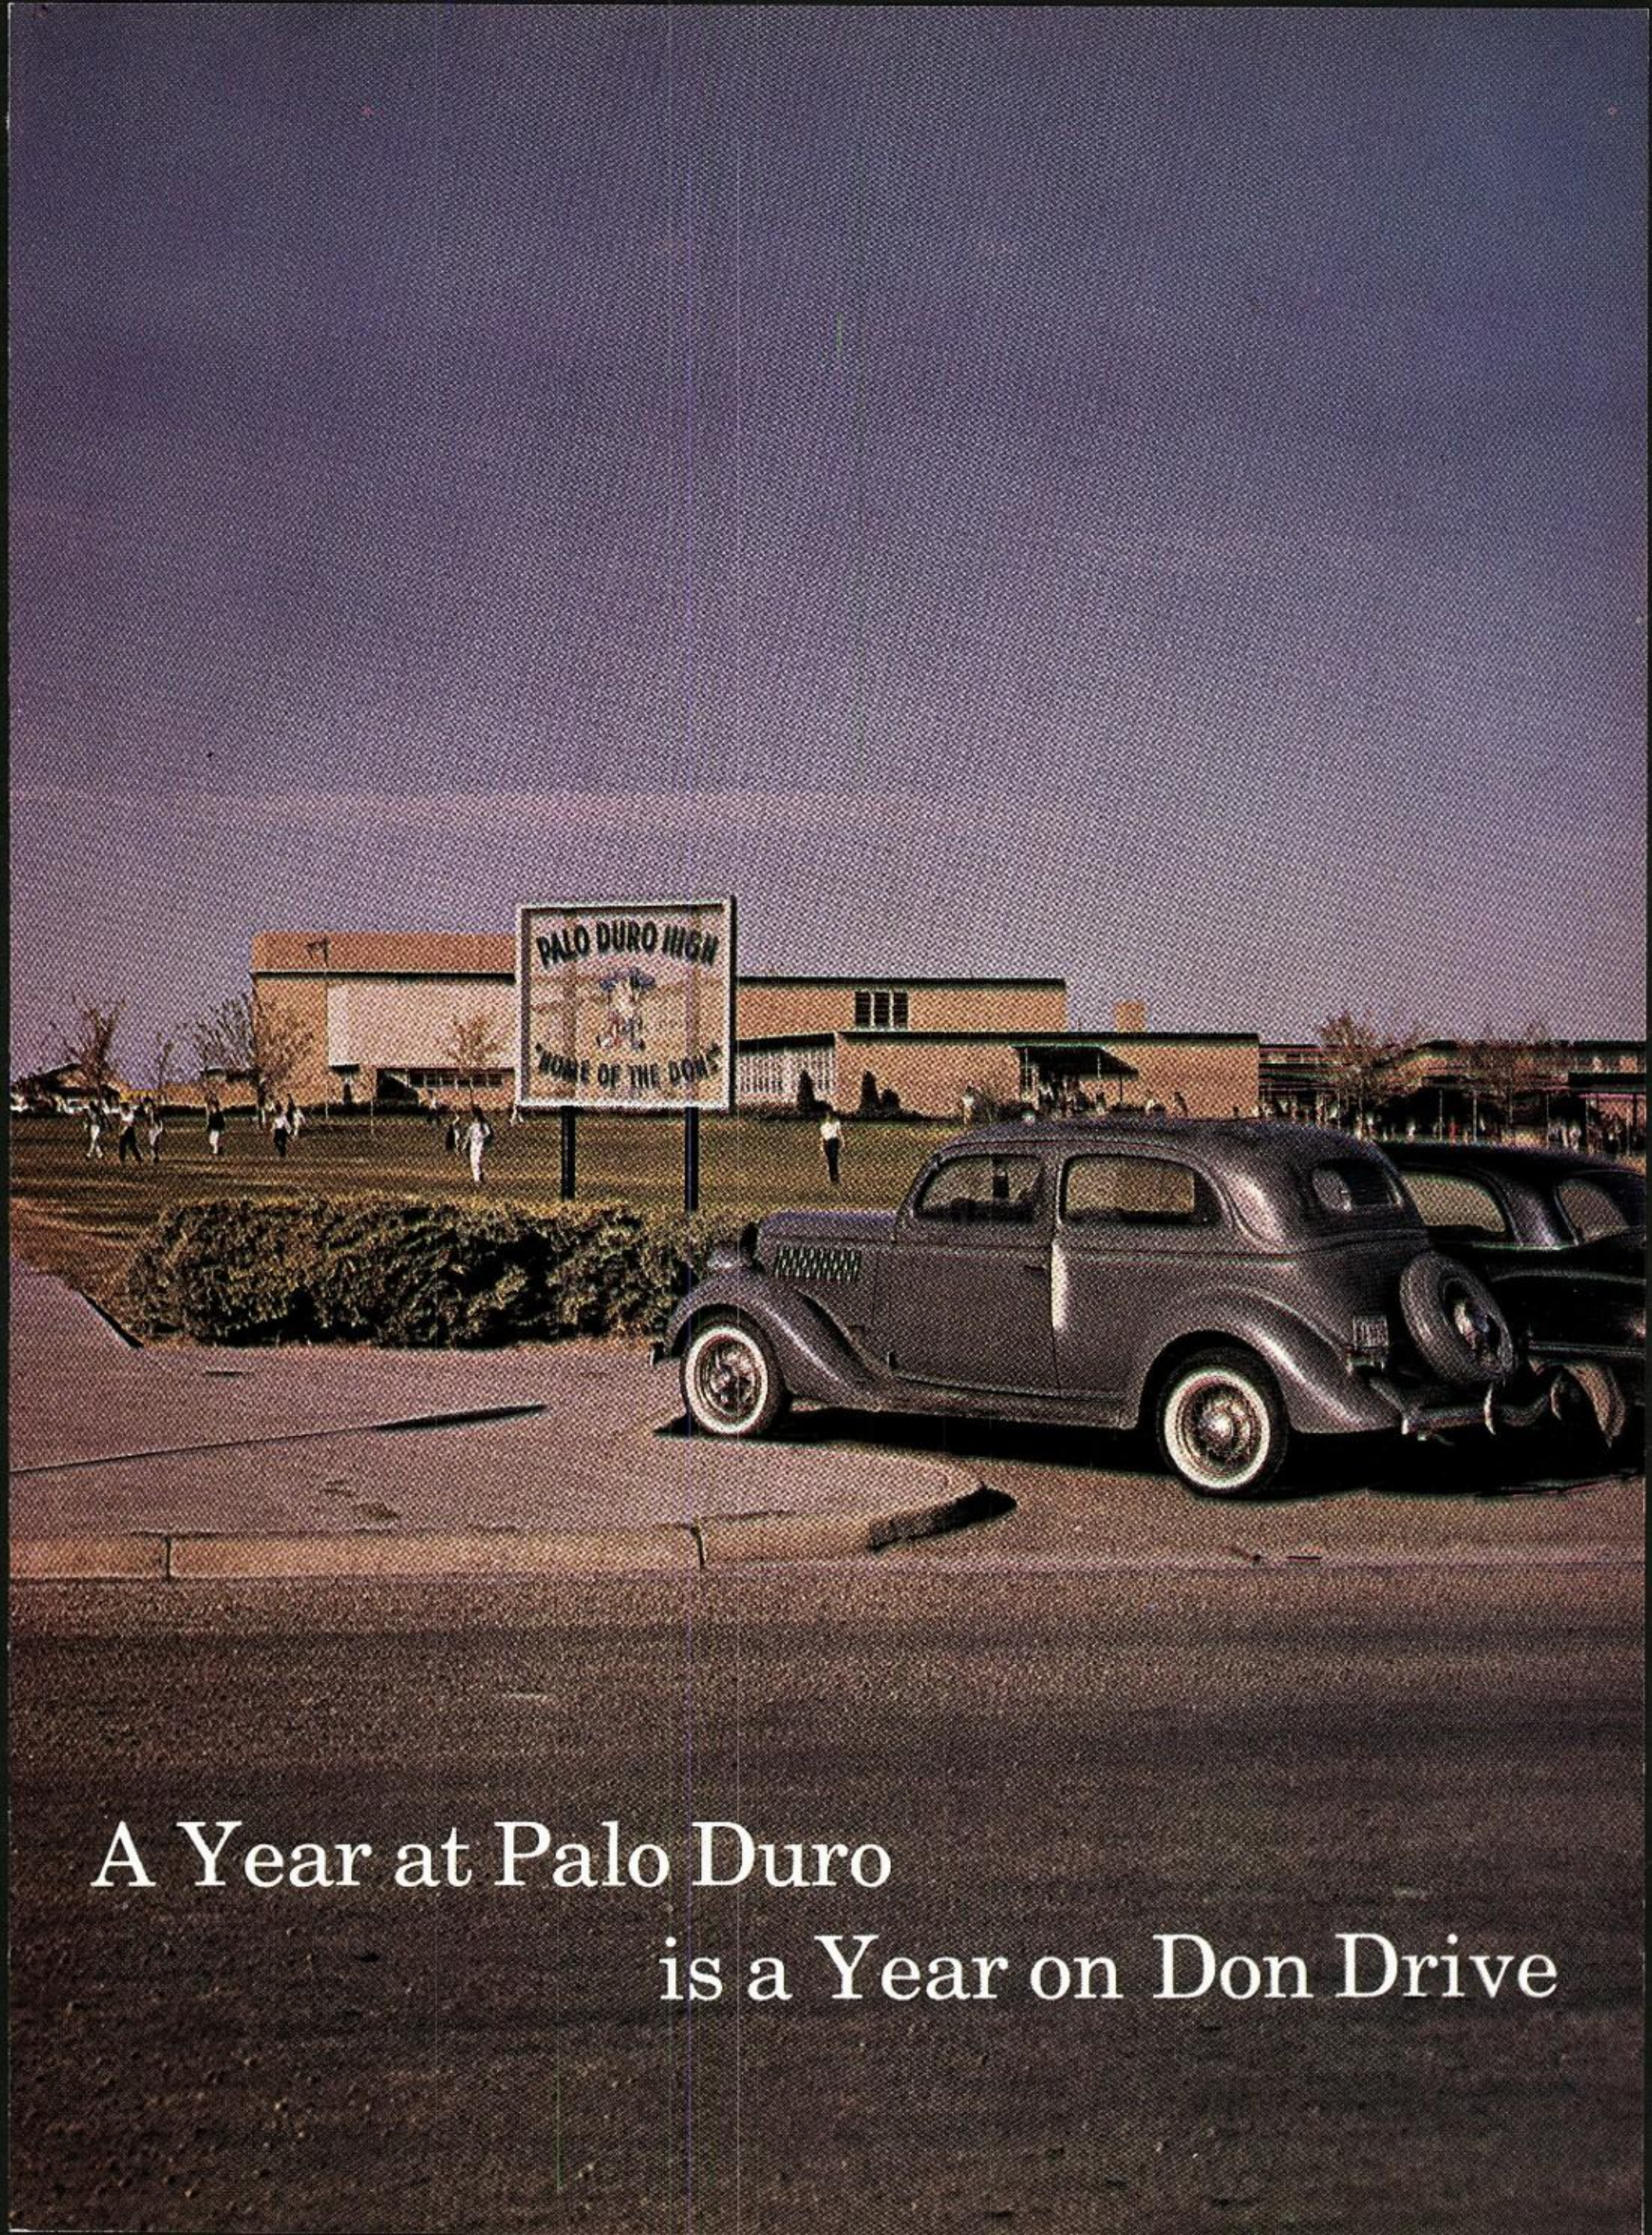
Things That Make Don Drive

Exciting Life On Don Drive Brings Lasting Memories

From registration to graduation, a year at Palo Duro High School is a year on Don Drive. Just as our school years are a part of the road of life, so is Don Drive.

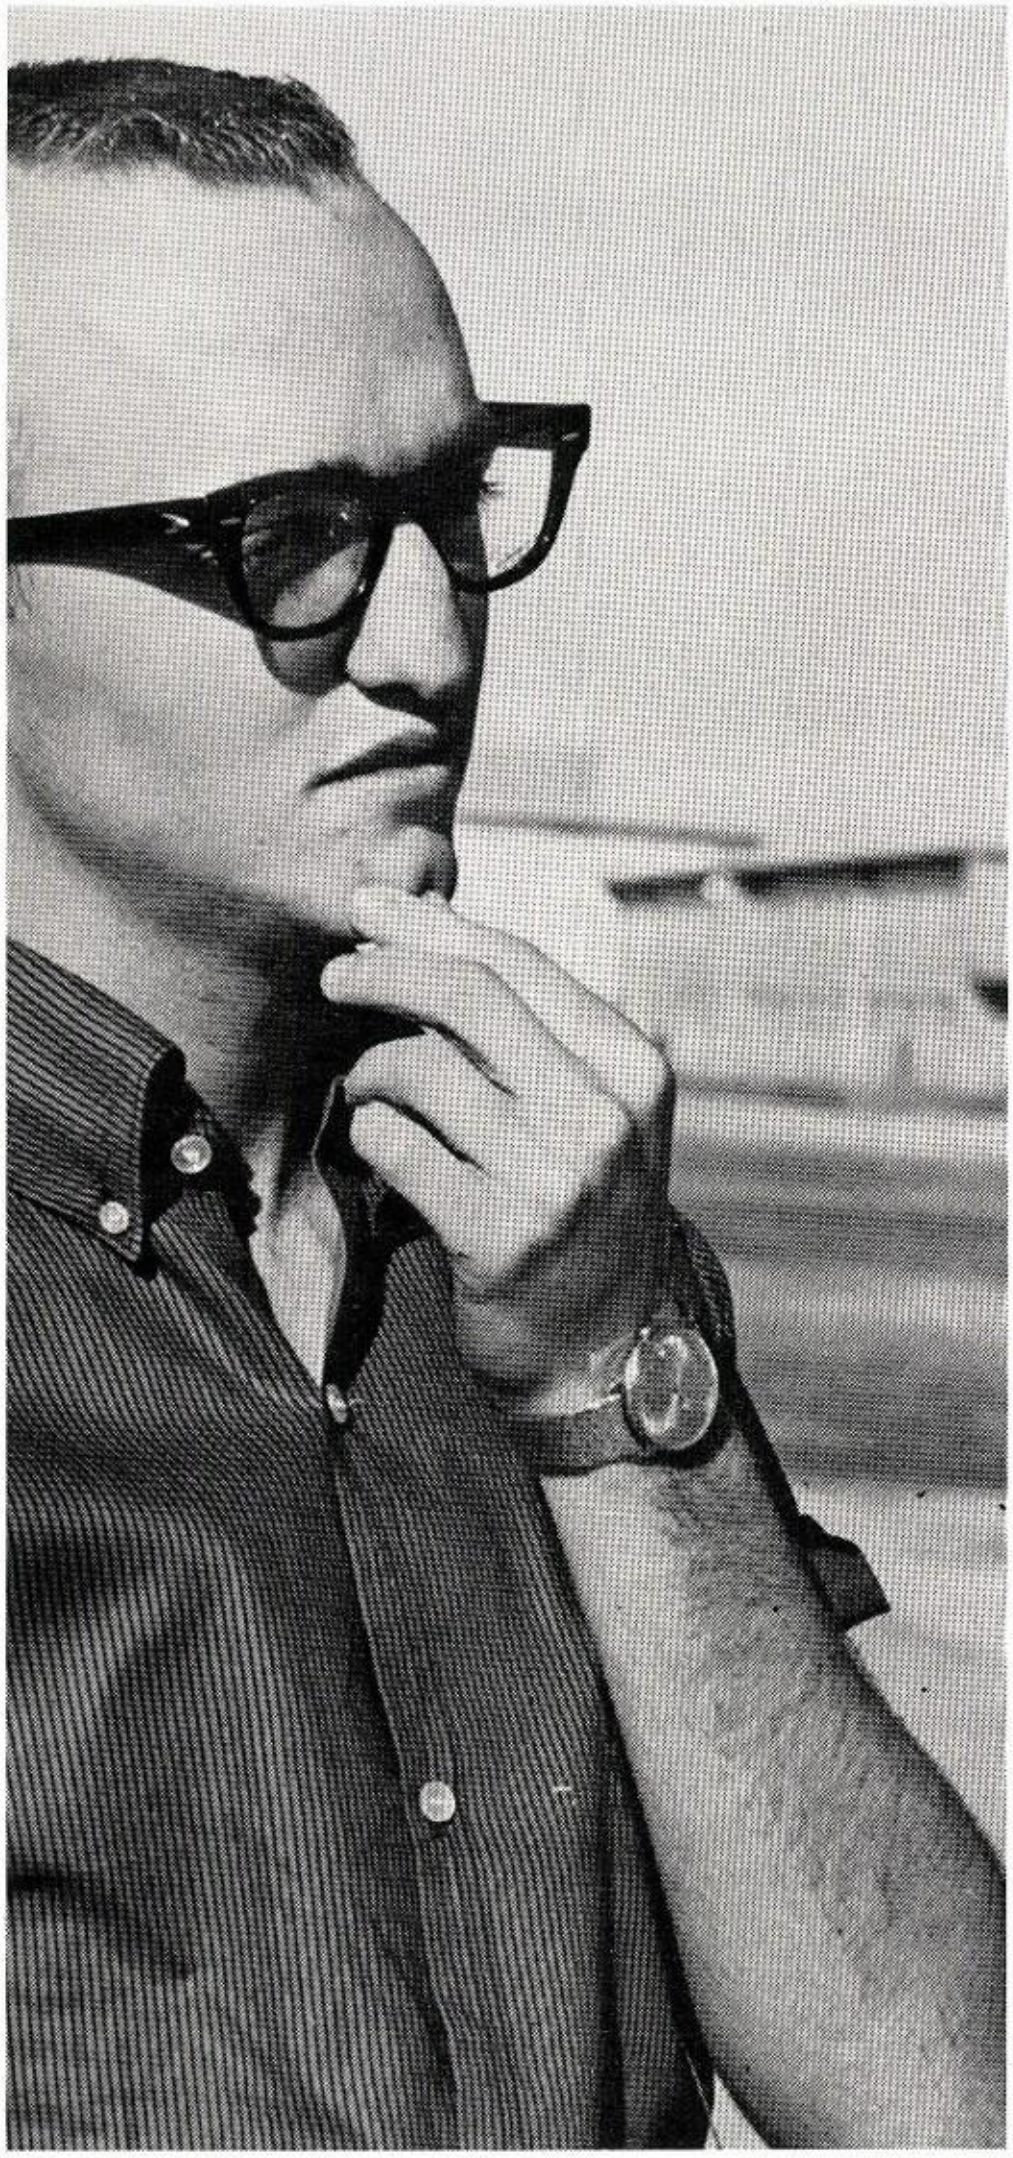
Approximately eighteen-hundred Dons made the trip down Don Drive this year – the largest number in Palo Duro history. For some, it was the beginning of a memorable high school career. For seniors, it was the last – and perhaps the best – of twelve important years. For everyone it was an exciting year, filled with memories.

As your year unfolds before you through the pages of this book and you see yourself as you cheered at the pep rally, took that all-important test, walked your best girl to class, or whatever, it is hoped that you'll never forget that wonderful year – 1963-64 on Don Drive.



A Year at Palo Duro is a Year on Don Drive

What Did It



IT TOOK AN IDEA—Joe Thompson thought of changing the name of N. E. 12th Street, south of the campus, to Don Drive when he was a junior. He brought it up in a student council meeting and started the project.

IT TOOK THE APPROVAL AND INTEREST OF THE ADMINISTRATION—Joe talks with Mr. W. W. Nicklaus, principal, about his idea. Mr. Nicklaus gave his approval.

IT TOOK CO-OPERATION FROM THE CITY OFFICIALS—The City Commission was with the Dons all the way and agreed to the name changing. Mr. O'Brien Thompson, city commissioner, speaks to the student body at the Don Drive ceremony.

Take To Get Don Drive?

Mr. Nicklaus presents Joe Thompson at the ceremony. Through Joe's efforts, NE 12th Street was changed to Don Drive.

Renay Prince, 1963 Miss Palo Duro, cuts the ribbon symbolizing the official opening of Don Drive. Because of rain, the May 21 celebration was moved to the auditorium.

It Took A Celebration

Mr. Thompson joins the Dons in applauding the ribbon-cutting by Renay Prince.

Mr. George Bledsoe, band director, leads the Dons in the singing of the school song to close the celebration. It was a memorable and exciting time for everyone.

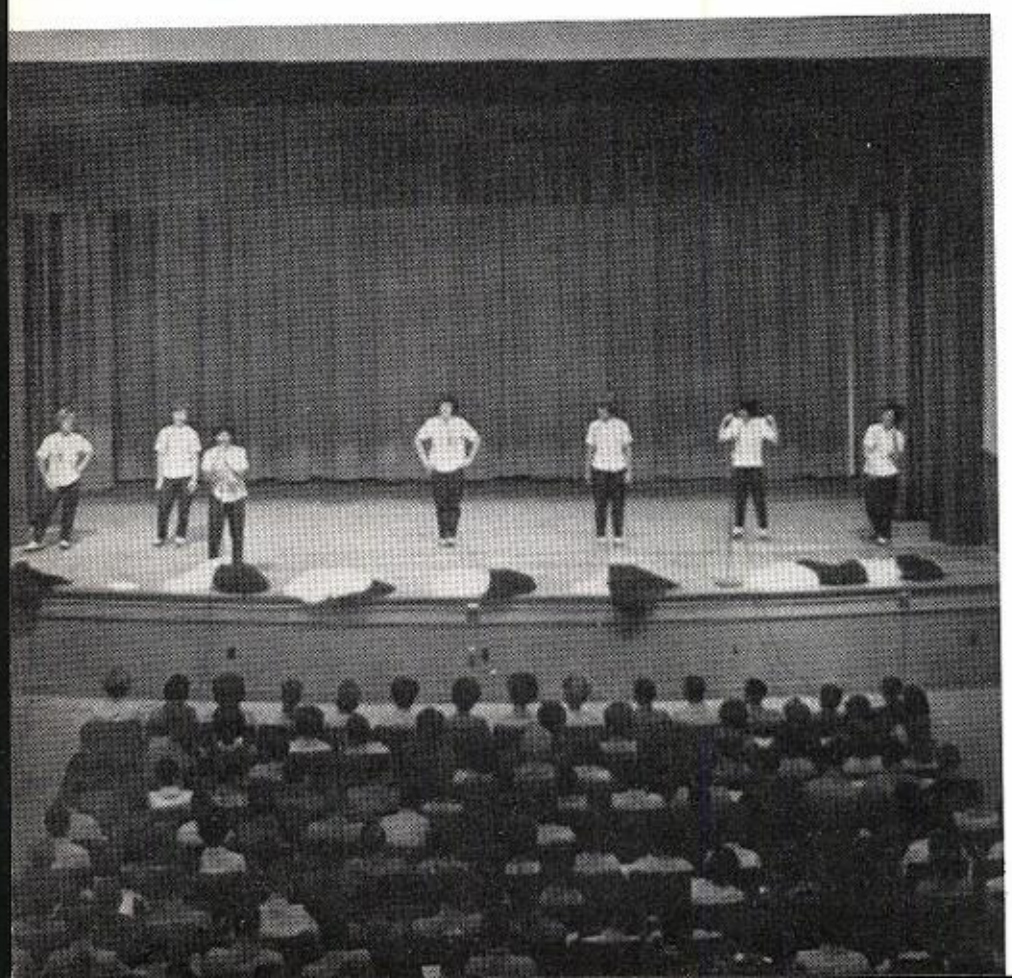
Fellowship Exemplifies Don Life

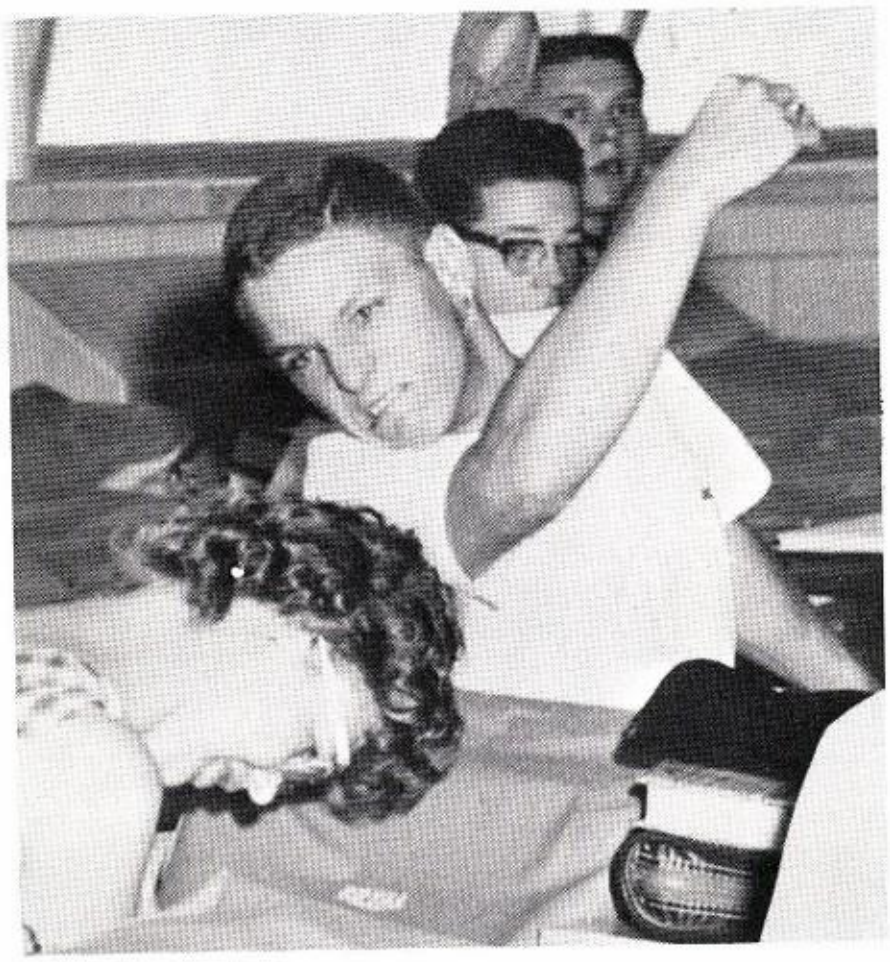
"I'LL MAKE ROOM FOR YOU"—Miss Hall says to Judy Green as she enrolls in her geometry class.

The beginning of school brings varied responses from the 1750 students who enroll. For sophomores it is mayhem, since they feel young and inexperienced. Juniors had been here before, and they look forward to the time when they will be seniors. For the 395 seniors there are mixed reactions. Every different event has its own special meaning during senior year.

First Of School Brings Confusion

"YEA BLUE, YEA WHITE!" – Sophomores receive early instructions in Don fight yells.





THE FIGHTING DONS—Dean Milton practices snarling as Judy Howard studies during Home Room period.

TELL ME A STORY – Pam Girard gives her petition to Gary Prather to sign as Bernice Byrd looks on.

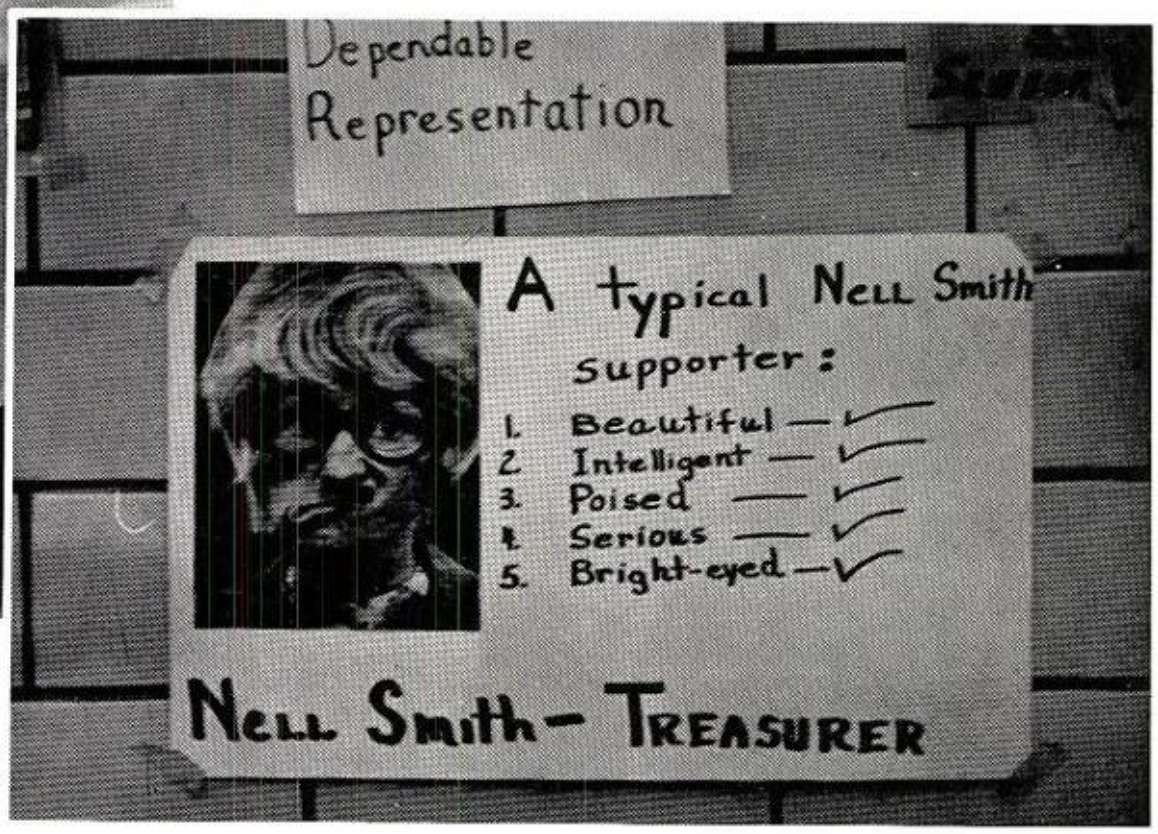
This year brought a tremendous interest in the student political life at Palo Duro. All interested students had to meet certain standard requirements.

Students from all three grade levels petitioned through Miss Laura Snyder, government teacher, for the offices they hoped to hold. Fifty classmastes had to sign for each candidate. Speeches were given, followed by a spirited pre-election campaign. Elections were held and run-offs determined who would fill each office.

Dons Show Leadership And

GOOD THINGS COME IN PAIRS – Juniors, Harrison Murphy and Judy Kardos turn in their petitions to Miss Laura Snyder.

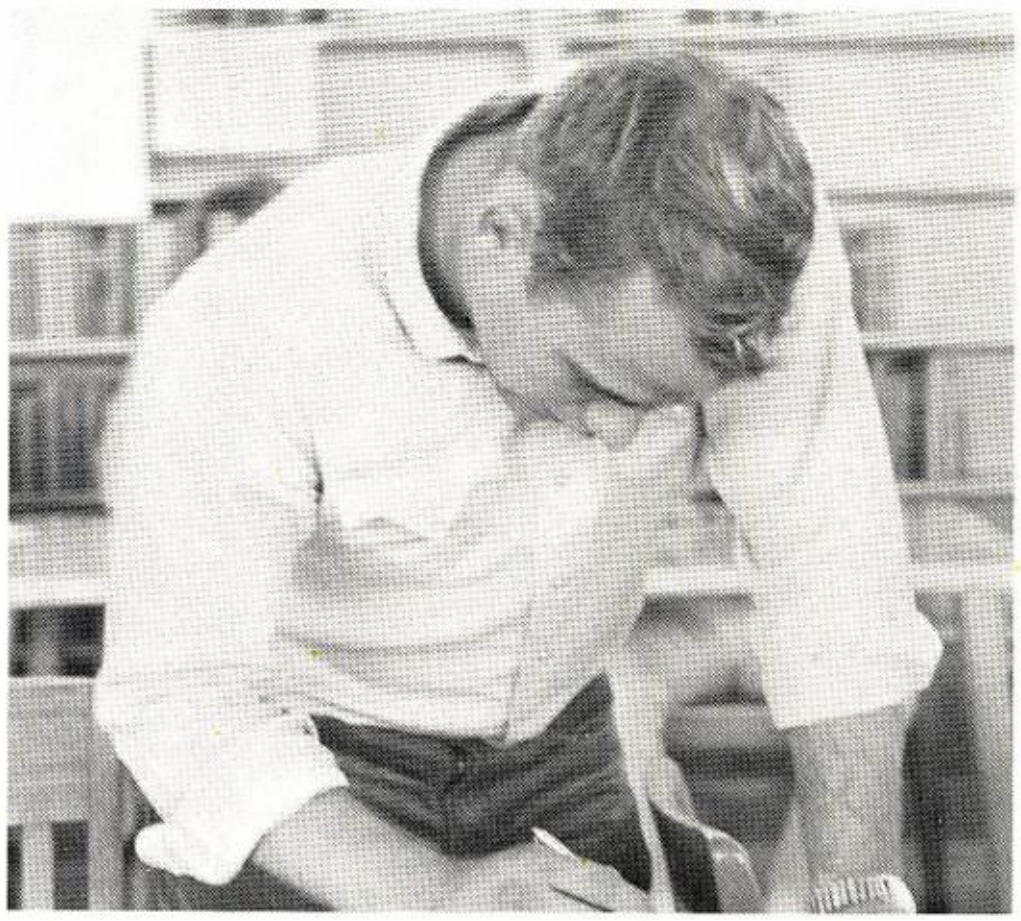
S-T-R-E-T-C-H – Dianna Sutton places one of her posters in a strategic place.



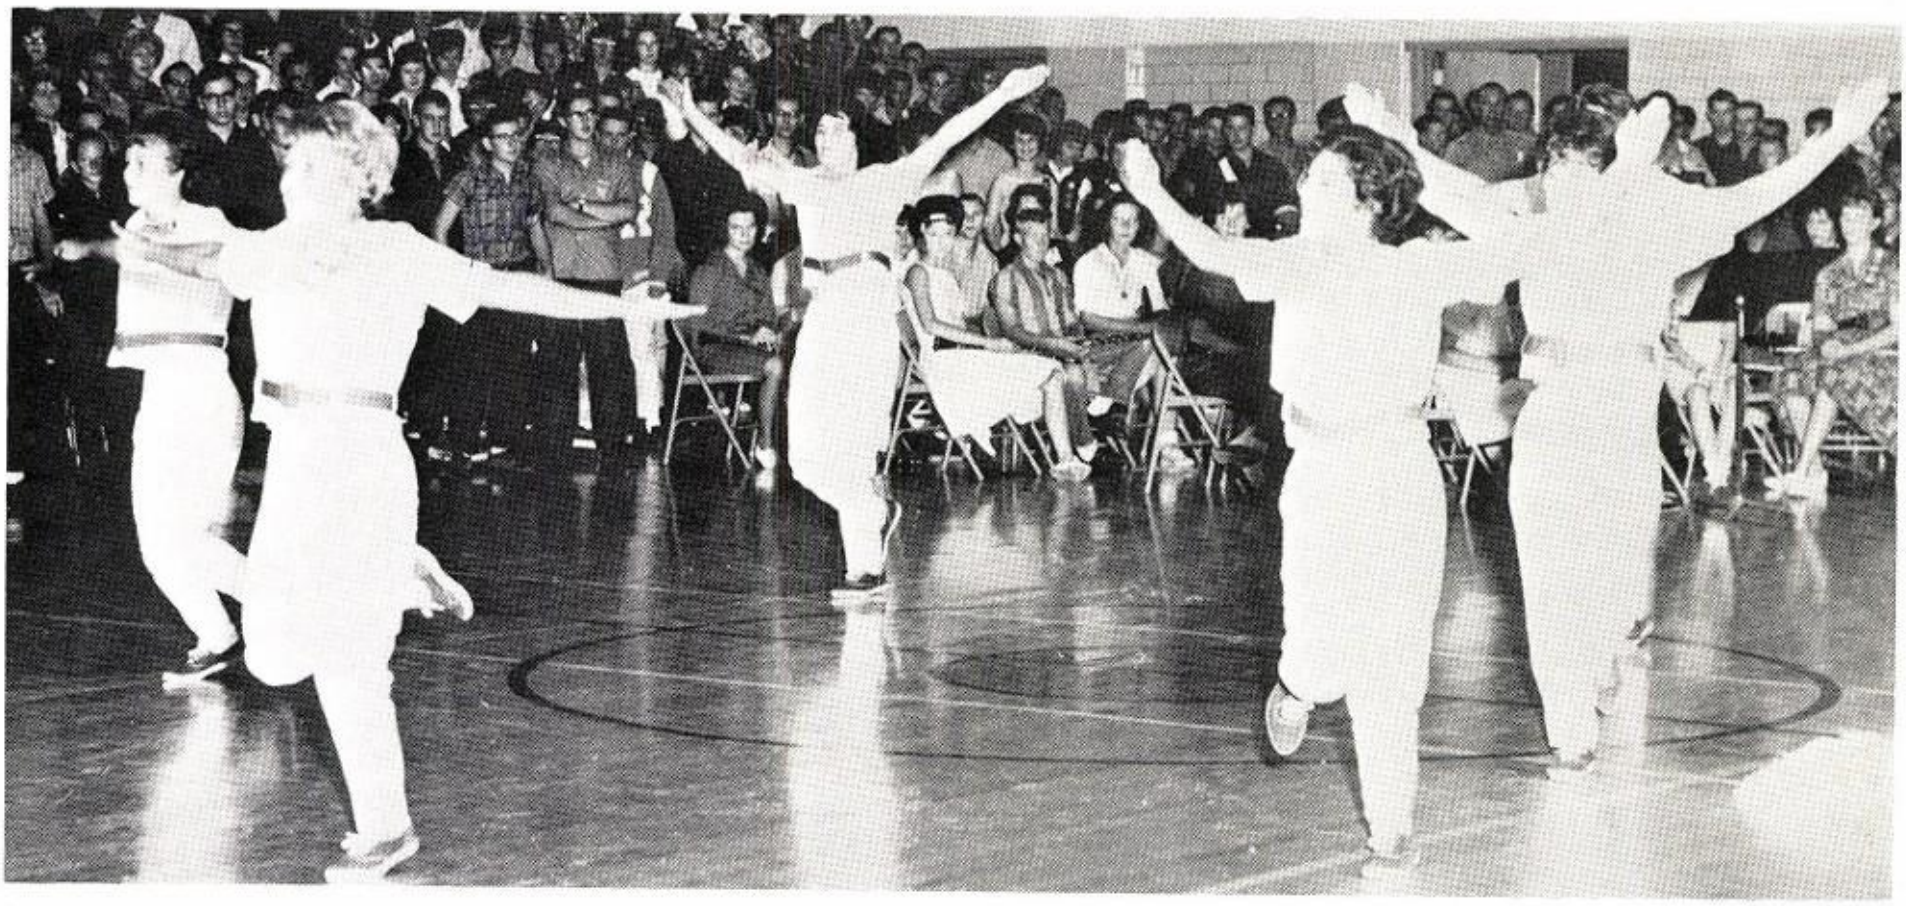
SHE'S A DOLL – Many colorful campaign posters were displayed around the school.

Initiative In School Elections

TESTING, TESTING – Sandy Williams presents her speech to the Sophomore class as Dee Dee Hill looks on.



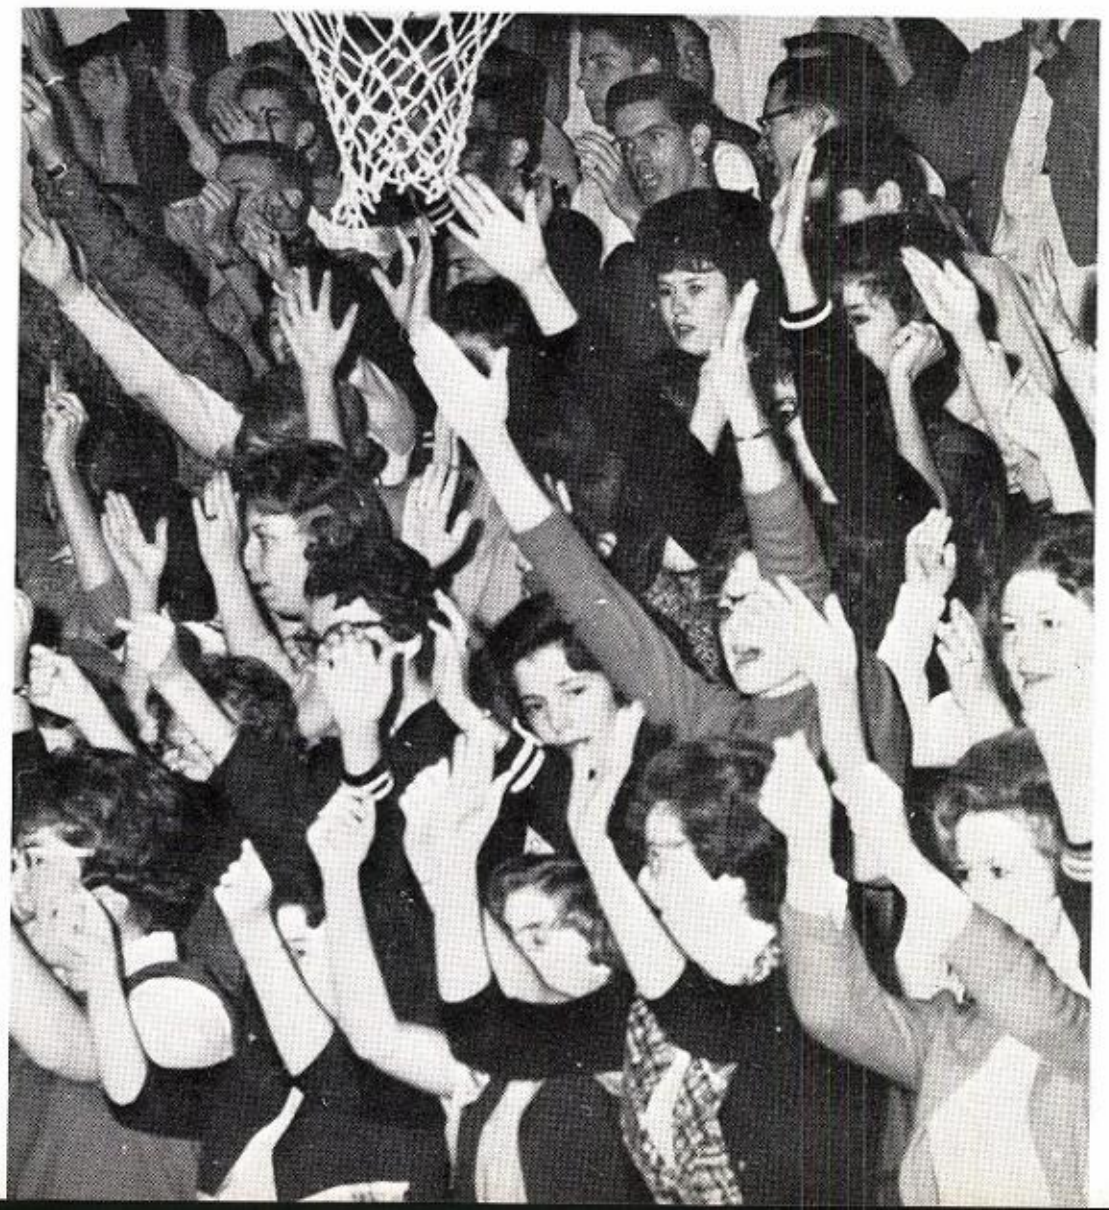
DECISIONS, DECISIONS – Haskell Wilson casts a ballot for Junior class officers on election day.

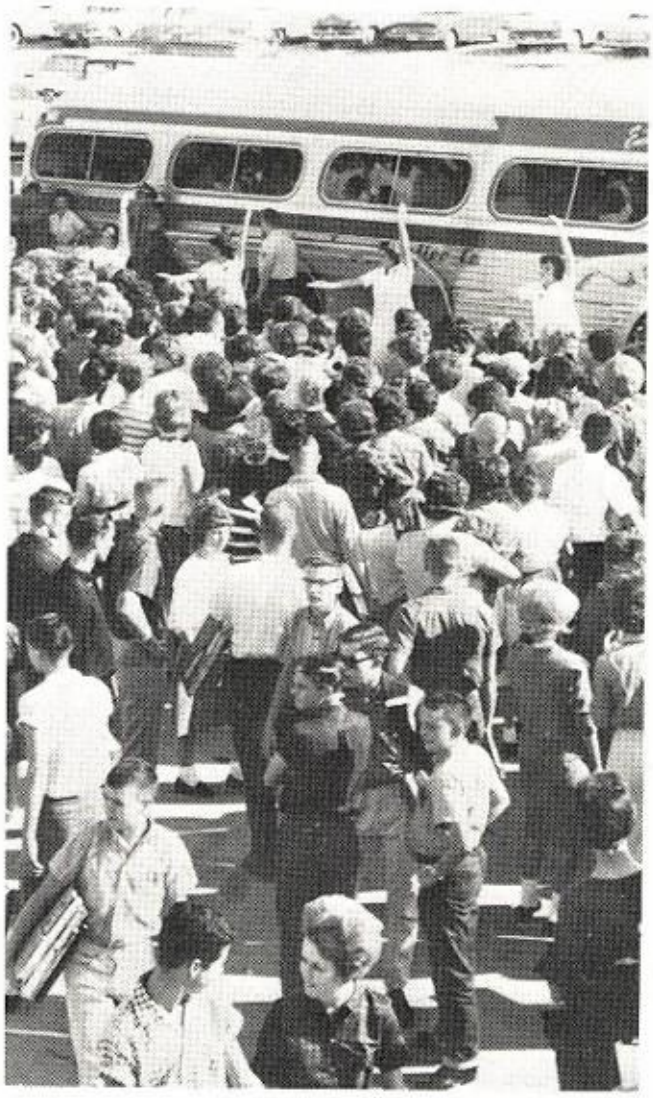


ALL FOR THE DONS – The cheerleaders vigorously lead the students in yells at the Harvester pep rally. Band members provide background music.

Spirit Sparks Dons To Victory

HERE, CATCH – Students show their spirit as they follow the cheerleader's instructions.





SORRY, NO MORE ROOM – The students give the team a royal send off to Midland.

ALL OR NOTHING—sings Bette McDonald as she portrays Ado Annie in the Friday night's cast.

FARMER AND THE COWMEN SHOULD BE

"Oklahoma"

Under the new direction of Mr. Fawayne Murphy, the music and speech departments presented Rogers and Hammerstein's "Oklahoma". With a different cast each night, the musical was presented on Friday and Saturday nights—November 15 and 16. The many long hours given by so many people were rewarded with standing-room-only crowds on both nights.

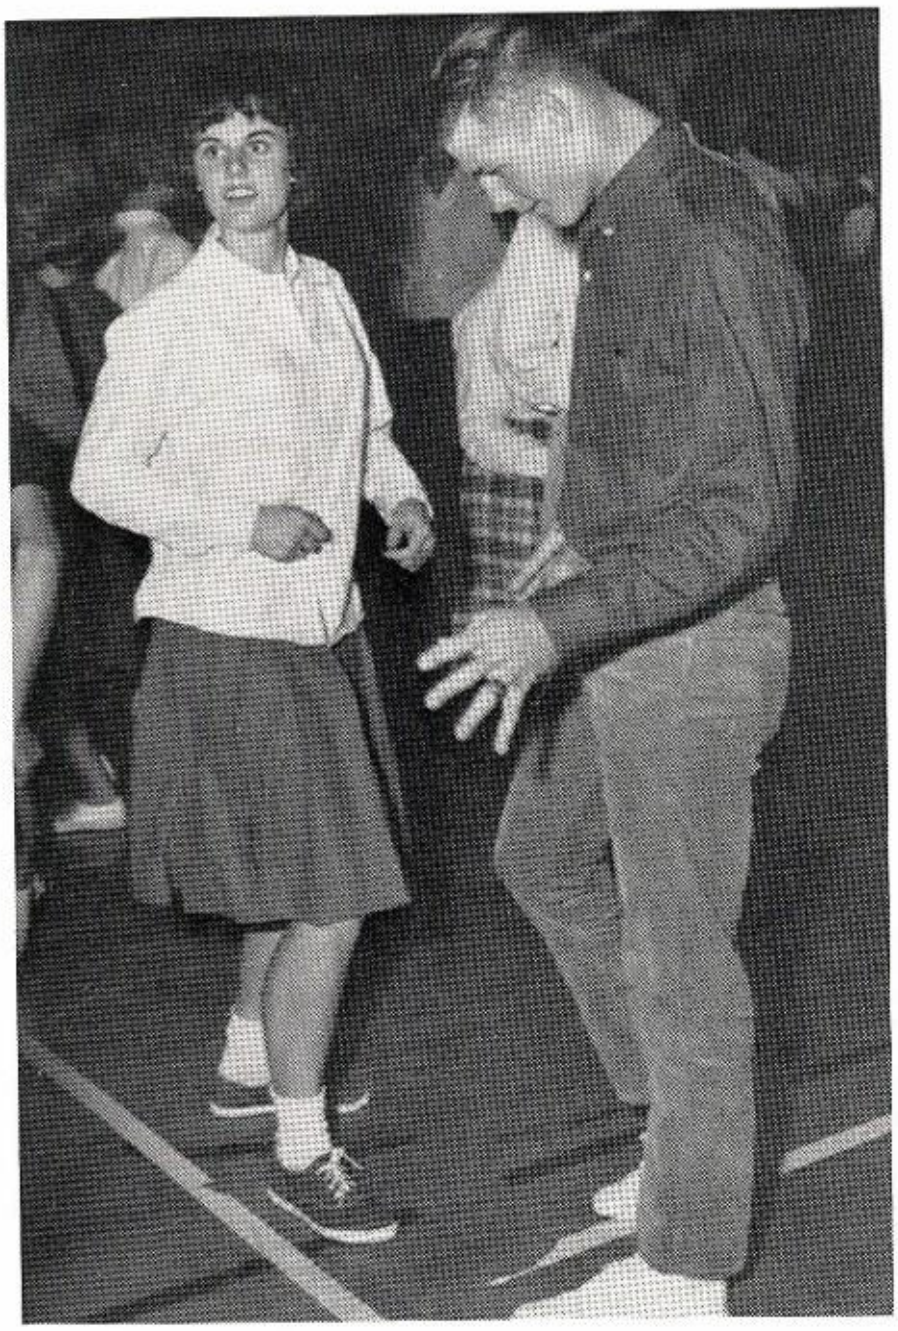
RIENDS—sings Aunt Eller, portrayed by Claudia Allison, at the annual basket social.

Brings Ole' West To Life

OH WHAT A BEAUTIFUL MORNING—As Linda Murry, playing Aunt Eller, churns butter while being serenaded by James Hensley.

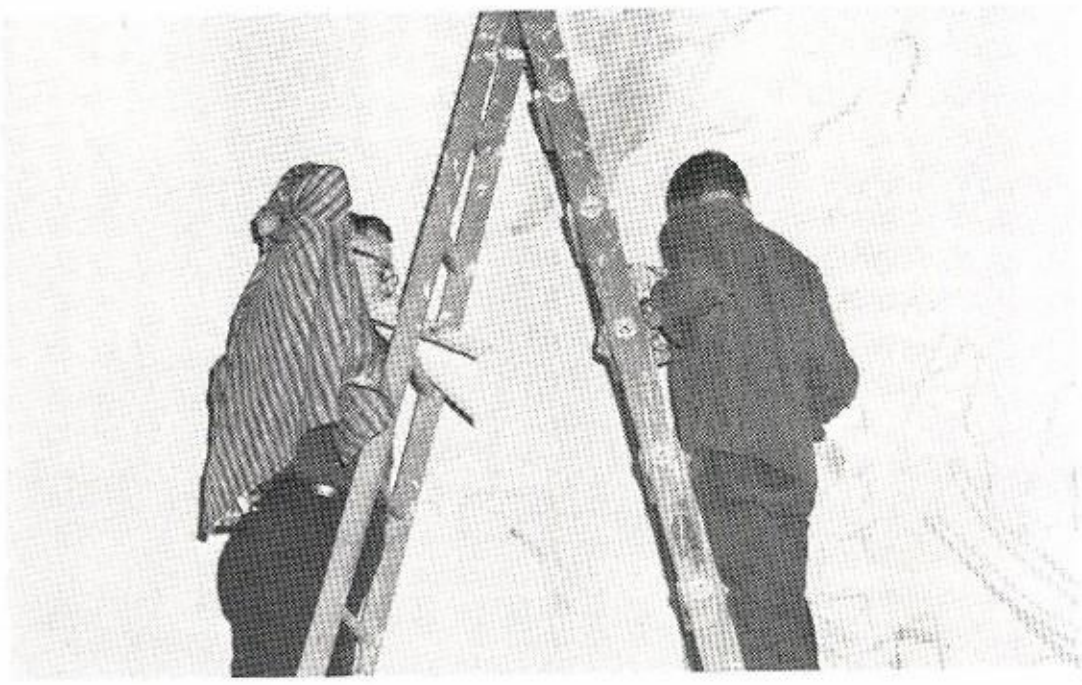
POOR JUD IS DEAD—sings James Hensley as he tries to persuade Jud, who is Steve Green, to commit suicide.

Parties and Mixers Help Dons

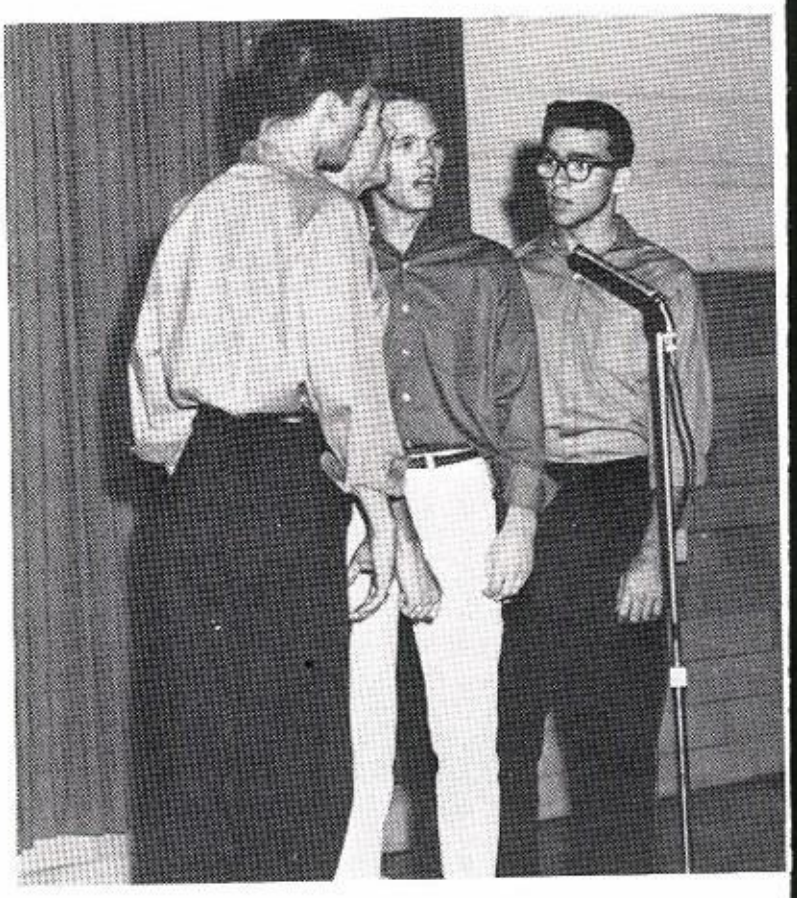


I DROPPED MY BUBBLE GUM—Nell Smith and Philip Walker dance at the annual Back-to-School Party.

DOES IT HURT BAD?—Students enjoy talking at a mixer after a Don football game.



I'VE GOT A BUG—Mr. Murphy and William Baldwin paint scenery for "Oklahoma" at a painting party which was sponsored by the choir.



IS THIS A NEW SONG?—Dean Webb, David Roberts, Travis Lungsford, and Dennis Anderson entertain the students at the Hootenanny which was sponsored by the cheerleaders

to Spend Leisure Hours

YOU WOULDN'T DARE!—Becky Eay and Timmy Ford dance at a mixer after the Don-Sandie basketball game.

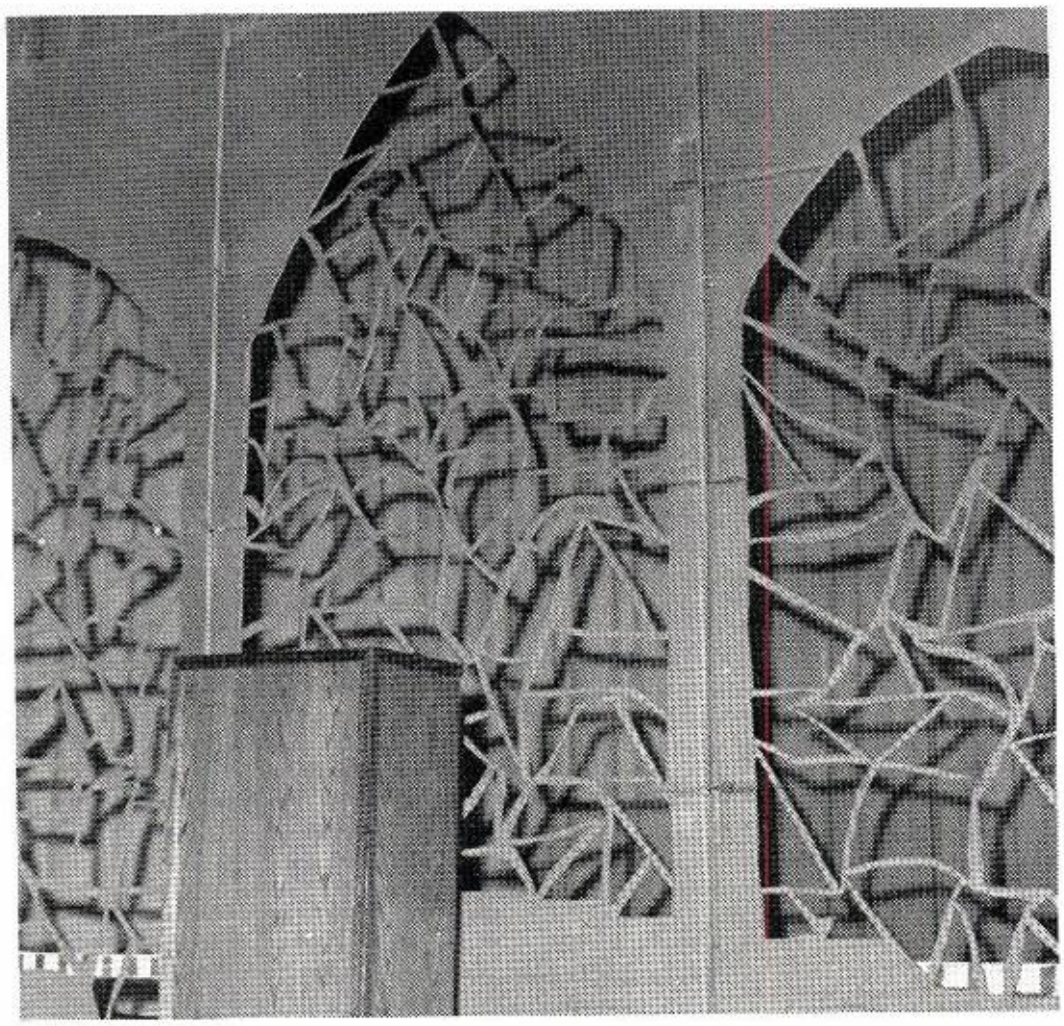
HAWAIIAN LOVE DANCE?—Velda Norrid, Dee Dee Hill, Beverly Haynes, Judy Brogden, Lynette Currie, Sharon Jones, and Sharon Alexander dance to the Hawaiian music at the Sophomore Party.

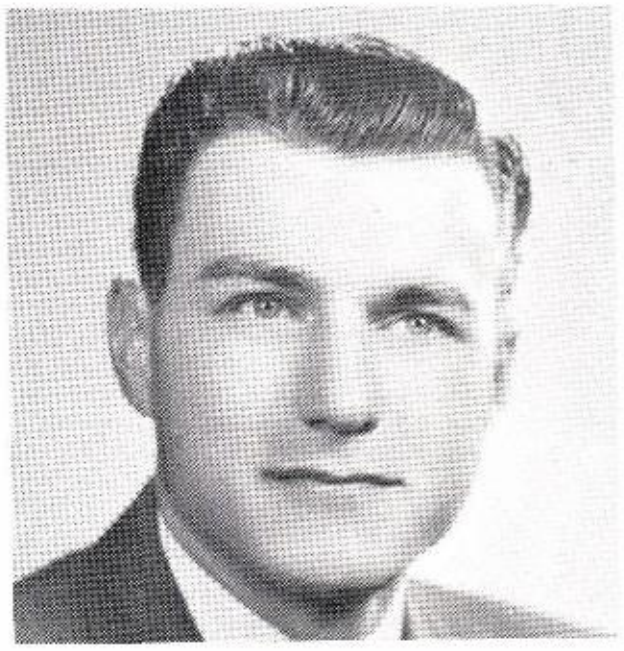
Religious Emphasis Week Helps Build Fellowship Thru Worship



SERENITY AND CALMNESS – The stained glass window and the podium stand in readiness for Religious Emphasis.

Each year at Palo Duro, the Student Council sponsors a Religious Emphasis Week. Anyone wishing to do so could attend. This year it was decided to have three different ministers visit and speak on consecutive Mondays. Pam Lewis, chairman of the committee, invited the following ministers to participate: Rev. Kenneth Augenbright, on March 9 to speak on the "Spirit of the Pioneers"; Rev. Larry Lilly spoke on "Youth" on March 16, and "Easter" was the topic of Rev. Charles Harnest on March 23.

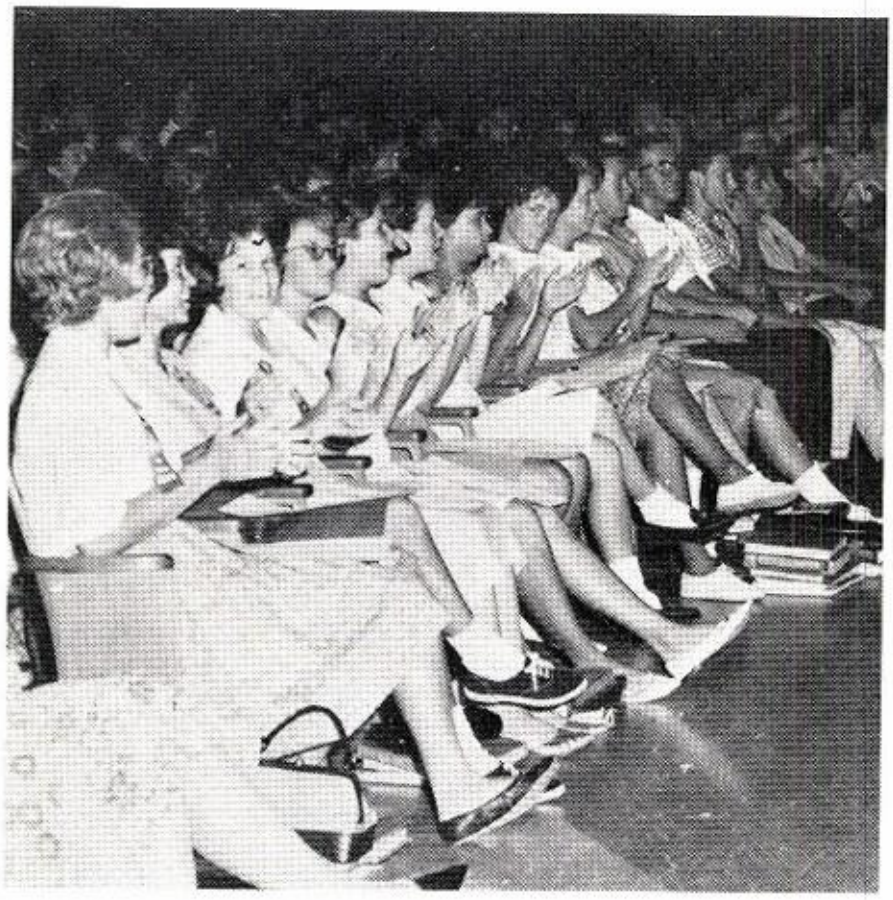
REVEREND KENNETH AUGHENBRIGHT – from Polk Street Methodist Church was chosen as one of the speakers.



REVEREND LARRY LILLY – from Hamlet Baptist Church was one of the speakers for Religious Emphasis.

REVEREND CHARLES HARNEST – of the Covenant Presbyterian Church was chosen as the third speaker.

Assemblies Add Interest to Year



PADDY CAKE! PADDY CAKE! – Sophomores learn school yells and song at Sophomore Orientation.

Because of the increased enrollment, students attended assemblies by classifications. The Dons enjoyed many interesting speakers and assemblies this year.

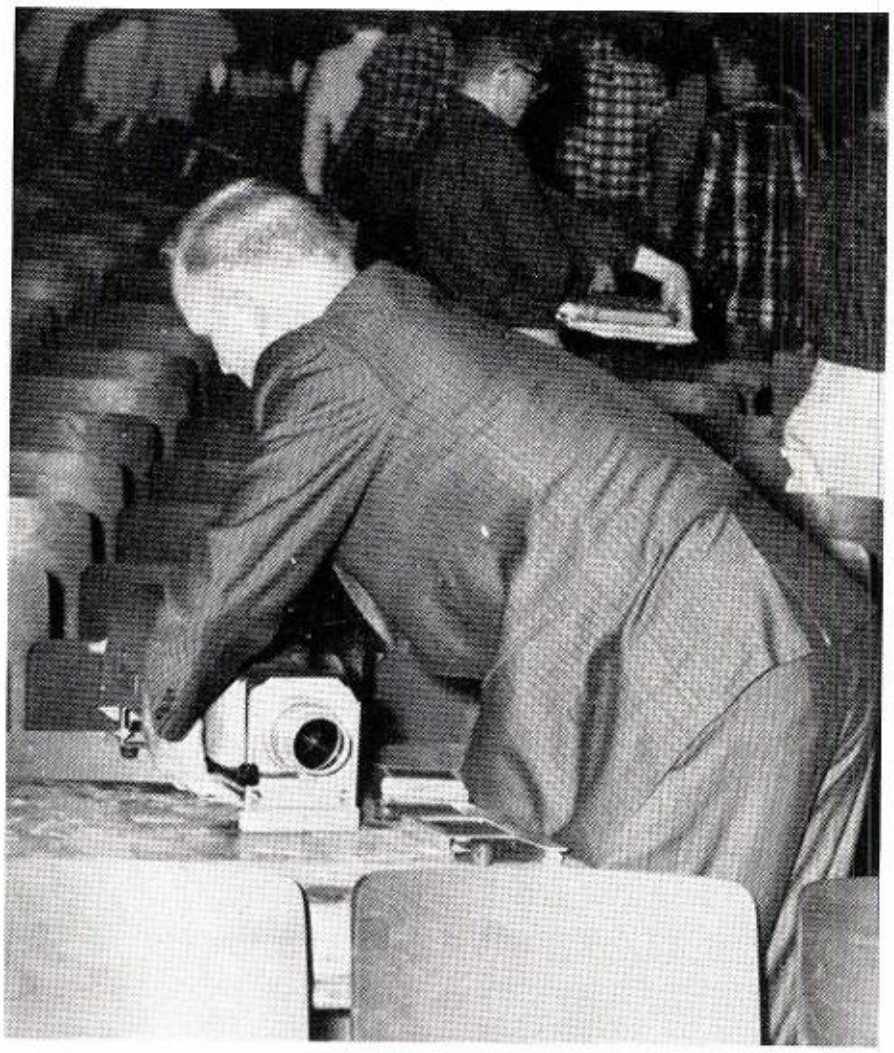
We were pleased by the lecture by Mr. John Bayton from the N.A.S.A. Manned Spacecraft Center in Houston, Texas.

The boys had an assembly in which they were told about the Fisher Body Guild scholarship offered for boys in the field of car design.

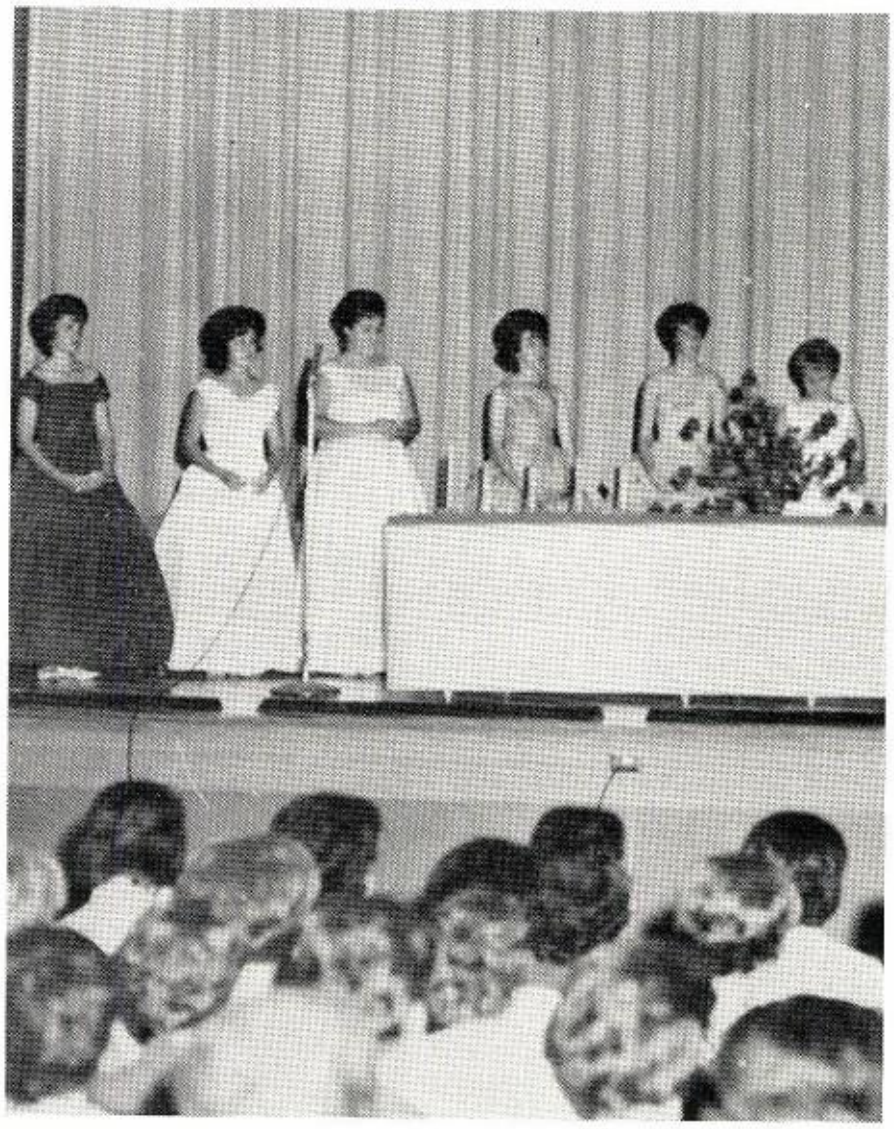
The girls had an assembly; FHA officers were presented.

The Seniors had many assemblies this year. At one of their assemblies a film was shown on "How to Choose Your College".

These assemblies, which are planned far in advance, are chosen on the basis of interest and how beneficial they are.



SMILE! YOU'RE ON CANDID CAMERA! – Mr. Raymond Hasitt, from the N.A.S.A. Manned Spacecraft Center, puts away the slide projector after an interesting assembly given to Palo Duro High School students.



THIS IS A LINE UP! – FHA girls of Palo Duro High School participated in the formal installation ceremony.

STEADY YOURSELF GIRL—Joe Moore takes advantage of Corrigan week as he gives his books to Kathryn Conley.

IT DOES TASTE BETTER—Frosty Sloan has Edith Whittlow hold the fountain on as he stops for a drink.

On 49'ers Day

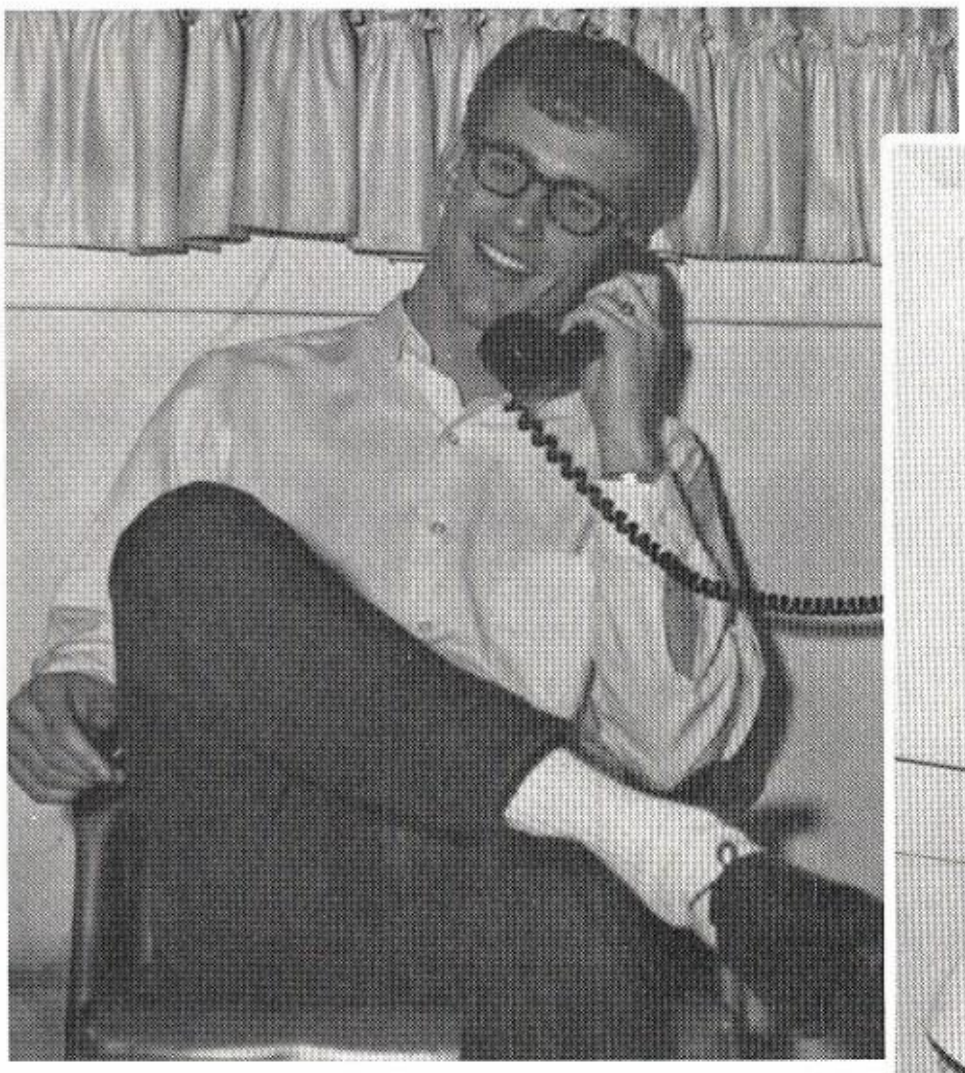
YELLOW POLKA DOT BIKINIS?—Seniors Raenell McDonald and Jeanette Lynn are anxious to try out their daring, new swim suits.

This year 49'ers day was held on March 12. This tradition, re-enacting the era of the Forty Niners, has been recreated since Palo Duro opened, with students dressing as the 49'ers did.

On the corner of the campus stands a monument to represent the spot where Josiah Gregg, a Forty-Niner, was believed to have crossed. He led a group of settlers West, and he showed great courage and honor. It was because of leaders like Gregg that the West was finally settled, and that Forty-Niners Day is celebrated.

Each year students dress in costumes depicting the type of dress worn around 1849 when settlers crossed this part of the country on their journey to the West. Costumes were judged in various categories and prizes were awarded to the best costumes in each division. Clubs set up booths around the campus on the night of the celebration and students were dismissed from school early in order to change into costumes and return to school. The sweethearts and favorites from all school organizations were presented during the belles and beaus presentation which was climaxed by the announcement of Mr. and Miss Palo Duro and class favorites.

The annual Forty-Niners Ball closed out activities for the evening. It was sponsored by the Future Business Leaders of America Club.



DING DONG!—KEITH CALLING—Keith McCaleb is calling Anita Fox for a date to the Junior-Senior Prom.

YOU RANG?—After hours of waiting by the phone, Anita Fox receives a call from Keith McCaleb, asking her to the prom.

Juniors Prepare Gala Affair As Farewell

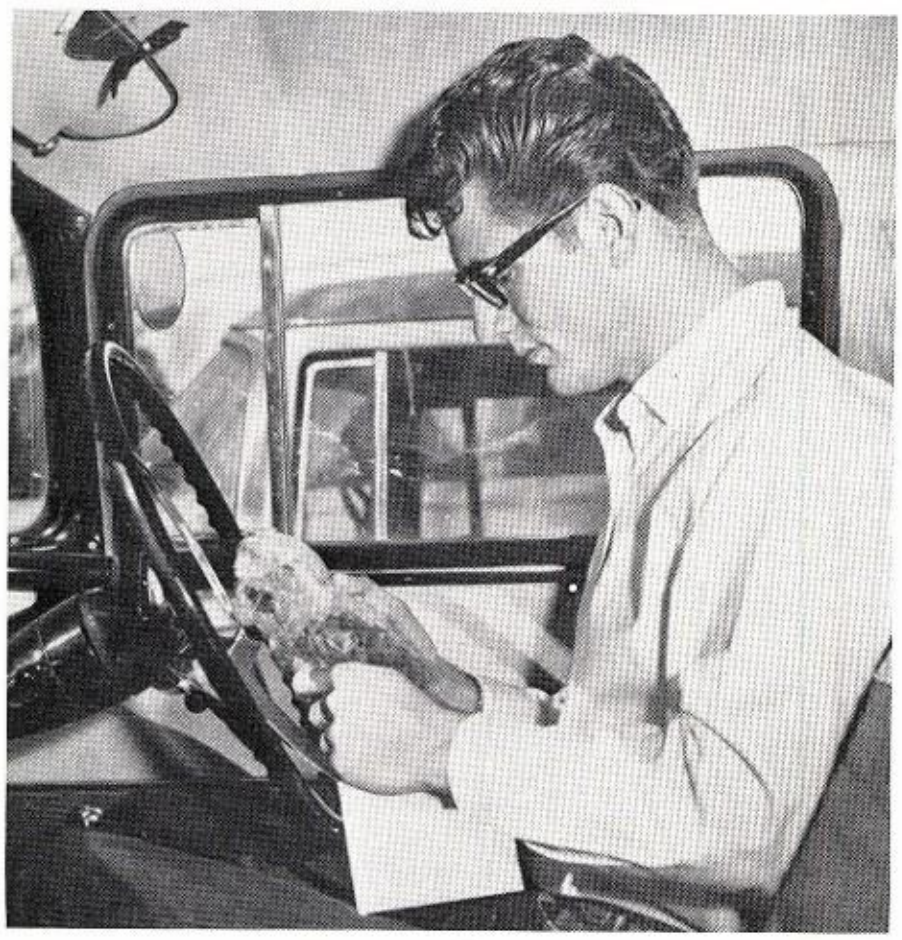
WITH A SHINE ON MY SHOES—Keith puts an extra-special shine on his shoes after he confirms his date with Anita for the prom.

The Junior-Senior Prom was an event to be remembered forever by Senior Dons. A great deal of planning and preparing was done by the juniors who gave the dance and by the seniors and their guests who attended the dance. The pictures on these two pages show how a typical senior couple, Anita Fox and Keith McCaleb, got ready for the occasion.

I WONDER IF HE WILL LIKE IT?—Anita ponders this question as she checks her dress for the prom.

THE HAIRDO MAKES THE GIRL—Anita enjoys *Seventeen* as she tries to relax under the dryer before the big event.

to Seniors



BUT HER DRESS IS PINK—Keith inspects Anita's flowers after he picks them up and wonders if they will do.

PRETTIER THAN SPRINGTIME—Keith and Anita arrive at the Junior-Senior Prom. As you can see, all their planning paid off.

Days Pass Quickly As Student Activities Dwindle

Throughout these pages we have tried to present the term 1963-1964. For many it meant the beginning, while for others it was the ending. Not only were there happiness and surprizes, but there was also sadness and disappointments. From enrollment to the prom, we have attempted to give you an objective view of the activities of which you were a part. All of these things were possible only because of your spirit and effort.

At Palo Duro, there are many activities in which anyone can participate if they are willing to give of themselves. Happiness in future life may depend upon one's ability to consider himself a part of the whole.

This year has been full and rich with a special distinction all its own. Fads have come and gone, different songs are popular, and nothing seems to stay the same for very long. People as a whole are changing their ideas more each day. No matter how long from now you wait, and how different things are, you can always look back and remember – THIS WAS YOUR SCHOOL AND THESE WERE YOUR ACTIVITIES!

Experienced Faculty Guides Dons

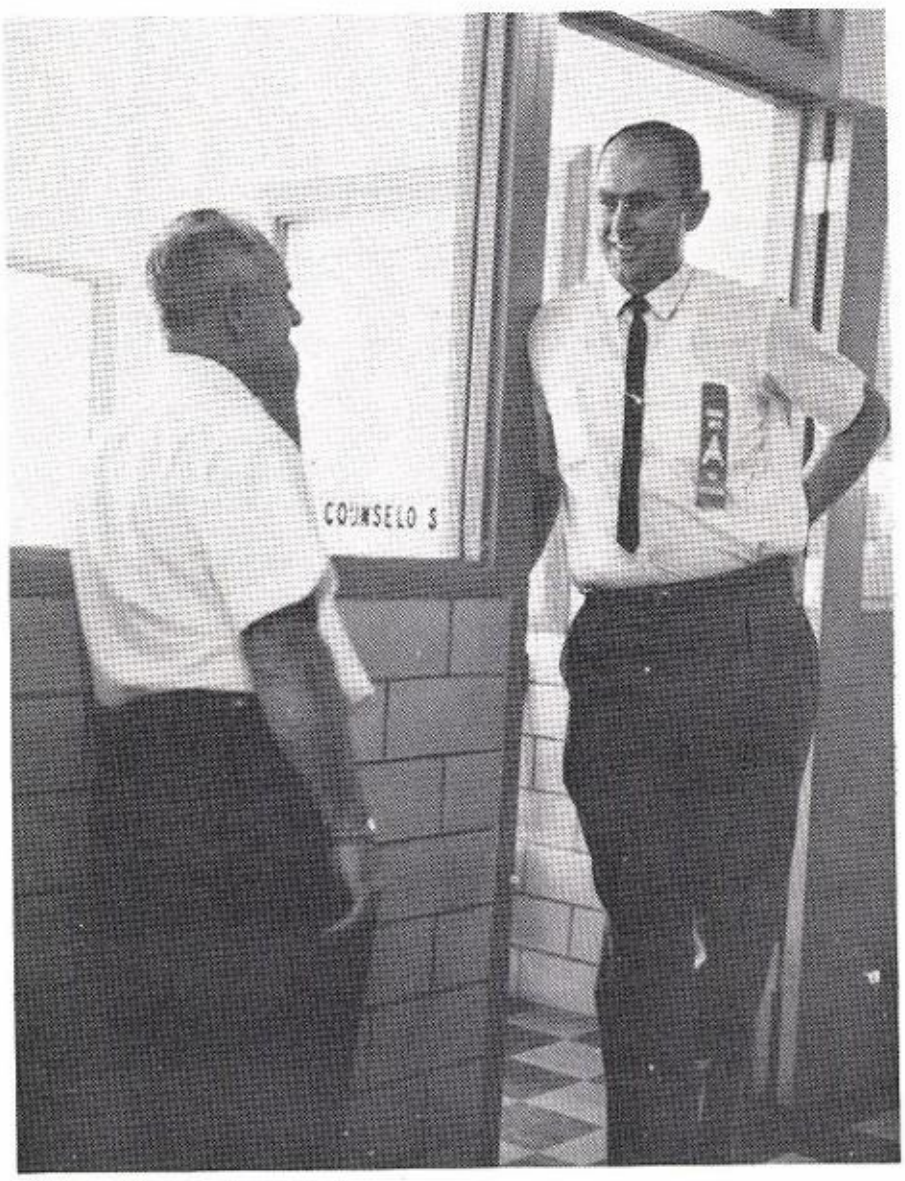
Dedication Is Primary Purpose

As a principal, Mr. W. W. Nicklaus commands the respect and admiration of each student at Palo Duro. As a Don, he sets an example of high school spirit and devotion. As a friend and confidant, all the students love him. Devoted to his work, he spends much time in preparation for each day's duties. His life is an inspiration to all who know him.

A graduate of Amarillo High and Texas Tech, Mr. Nicklaus was active in sports in high school and college. He was chosen captain of his high school football team and captain of the first Texas Tech football team.

Mr. Nicklaus's career includes 22 years of teaching and coaching in junior high, high school, and college. In 1950 he became principal of Horace Mann Junior High School, where he served until 1955 when he was appointed principal of Palo Duro High School.

GOOD MORNING, STUDENTS – Mr. W. W. Nicklaus addresses the student body during one of the assemblies.



TALKING IT OVER – Mr. W. W. Nicklaus and Mr. Lewis Martin, assistant administrator, discuss one of the problems that confront them during the day.

CHIEF ADMINISTRATOR — Mr. Robert R. Ashworth works diligently at his desk. He has been superintendent of the Amarillo Public Schools for six years.

Top Administrator Strong Leader

Mr. Robert Ashworth, superintendent of the Amarillo Public Schools since 1958, came to Amarillo from Corsicana where he was also superintendent. Previous to his service at Corsicana, Mr. Ashworth was superintendent at Kilgore, and seven years prior to that he was principal at Tyler.

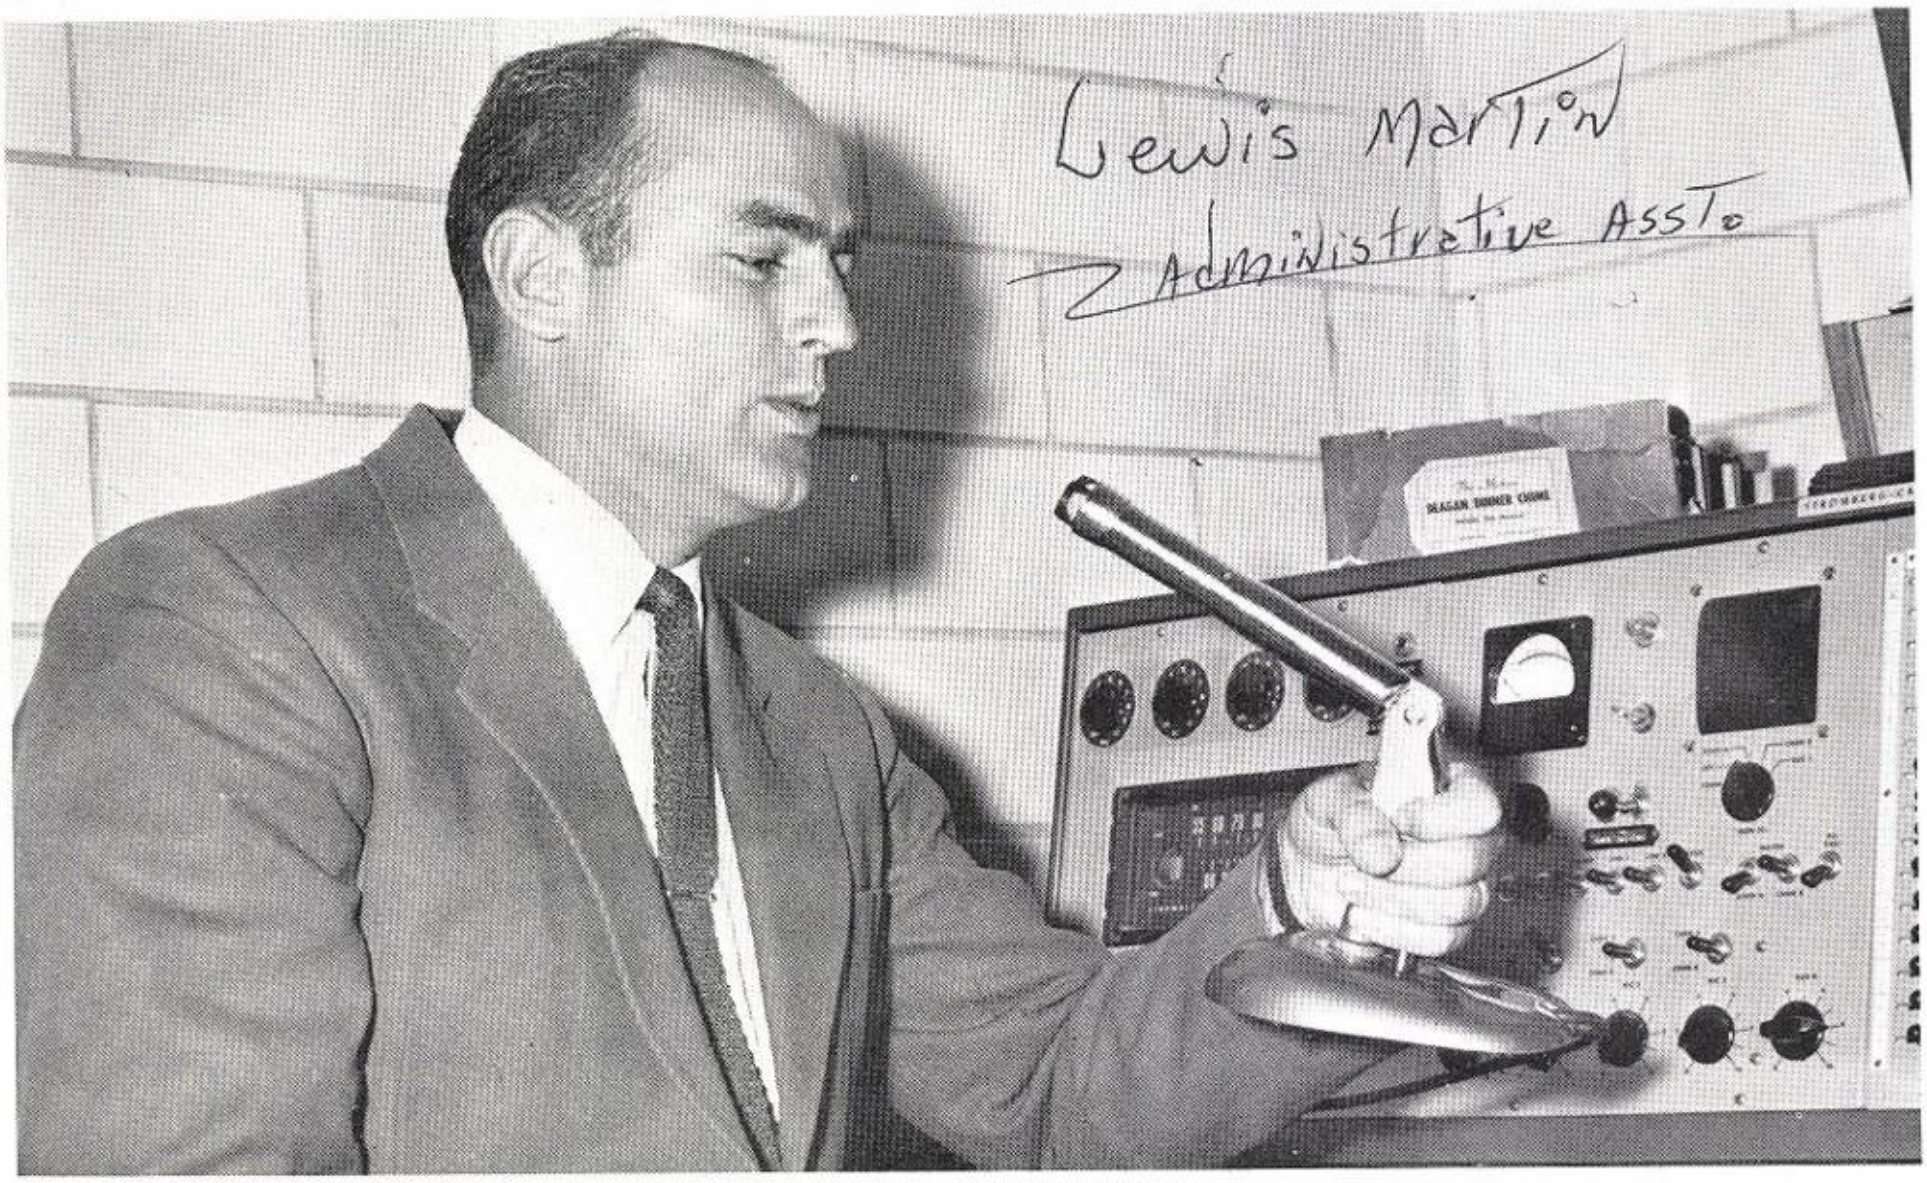
Mr. Ashworth was born in Commerce, Texas and graduated from high school in 1931. He received his B.A. degree from East Texas State Teachers College in 1934, received his M.A. degree from Southern Methodist University in 1939 and did graduate work beyond his M.A. degree at the University of Colorado, Stanford University in California, and the University of Texas.

Mr. Ashworth, when not busy, spends his free time on the golf course or attending football games.

WHAT DID YOU SAY? — Mr. Ashworth is interrupted from his work by an important phone call.

PERFECT ATTENDANCE! – Mr. Farest Hill busily checks the attendance book. This is one of his several duties as assistant principal. He also sponsors the Key Club.

NOW HEAR THIS – Mr. Lewis Martin delivers a message to the students at the end of sixth period. This is his first year as assistant administrator at Palo Duro, and he has won the respect and admiration of all students.



MONEY, MONEY, MONEY – Mrs. Alta Moore, secretary to the principal, counts money which has been turned in by various organizations.

Problems

YOU DON'T SAY – Mrs. Erma Snodgrass, attendance clerk, receives an important call from the parent of a Palo Duro Don.

MUST BE HERE SOMEWHERE – Miss Linda Cook looks through the files for a student's record. She is an office clerk and also sponsors the Tri-Hi-Y Club.

Students Assist Counselors

The counselors are prepared at all times to assist any student with his problems. Students having problems in school, those wishing to apply for scholarships, and those needing advice on what subjects to take are all helped by the counselors. Besides being advisors and class sponsors, they also become friends to the many students they help.

Miss Carmen Ulm

Mr. Joe Willoughby

GOOFING OFF – Henry Hawley, left, and Richard Blankenship take time out from their duties as counselors' assistants to do homework.

and Librarians

I'LL SEE YOU AND RAISE YOU FIVE – Everett Oakley and Kay Wilson sort Library cards for the card catalogue.

$x^3 - y^2 + z^2 = \frac{1}{2}m + y - 3$ – Miss Lucyle Penn, librarian, scans one of the library's new arrivals.

The Library contains books on subjects to suit every interest. Besides books, it also offers an assortment of current newspapers and magazines. Not only may students check out books, but also go to the library to study and use the reference books.

Efficiently-run and well-organized, the school library is one in which all students can take pride. It is a testimonial to the work which Miss Penn and her assistants put into it.

NOW, THIS GOES HERE – Mrs. Lorraine Burton, assistant librarian, files a magazine in the magazine room.

Research, Study Fill Class Hours

THIS REALLY IS FUN – Nancy Brush, senior, leisurely finishes her assignment in shorthand class taught by Miss Velda Anderson.

Commercial Department at Palo Duro could easily be called a bustling, business world of the future. Here, courses in typing, shorthand, secretarial training, office practice, business math, and bookkeeping are offered to those students most interested in becoming secretaries, bookkeepers, or even executives.

Not only are business methods practiced, but also good grooming, good posture, wardrobe selection and most of all, efficiency. In addition to preparing students to become independent wage-earners after graduation, these classes give them good insight to meet the problems they will face as future business leaders.

Today's History

History plays a major role in our country. History is merely a story of a country's progress. We are fortunate to have in our school a well-qualified staff of history teachers. Offered at Palo Duro is world history, American History, and government. There are many historians who wrote of the happenings of their day. Our classes are enlivened by films of the era studied. Also, maps broaden our scope of the knowledge of the world's places that we read of in newspapers. In addition, we have several journals and books obtained at libraries to further our scope. But best of all, to tell of the many phases of history, are the teachers, who bring to life the adventures of the past.

BUSY BEAVERS – Francis Newell, Judy Prater, Sherry Wright, and classmates work hard in government class to complete their assignments.

To some students English may be just another boring old class. However, as the year progresses, the student is aware that he does not sleep as often in class and begins to realize how important English really is.

To the student at Palo Duro, English is a profitable, fulfilling course in which there is no limit to the things a student can learn and use.

In this course the student learns to write essays, reports, paragraphs; and as a junior and senior, he learns to write term themes. Writing is only one part of English, however. The student has the opportunity to read great works in class, and do work in the library.

Music Department Essential To Dons

The music department is just as essential to Palo Duro students and school life as any other basic department.

This department provides a wide range of talent. Included in it is the Los Contantas Choir, the Band, Orchestra, and the many individual groups necessary for a well-rounded music department.

During the year, the various groups attend many contests. One of the largest contests and the one most anxiously awaited is Tri-State. The groups travel to Enid, Oklahoma, in May to attend this. Several local contests include the ones in Canyon and a marching contest at Dick Bivins stadium for the band.

The music department produces scholars as well as musicians. Many students graduate from this department to continue their career in music in college.

Newspaper Work

The Prairie Sage is worked on diligently by publications members each day during sixth period. Much outside work is required to put out an issue of the newspaper. Reporters must scout around and interview various people for their stories.

Writing headlines, proof reading, page paste-ups, and folding and delivering the papers are just a few of the many tasks taken on by the various students. They perform an excellent service to the school in a business-like manner. Most of their experiences lead to more knowledge and help to make a happy year in Donland.

Active Staff Members

As a Conquistador staff member, at certain times, you are very rushed. Staying after school is not unusual for you. As your deadline draws near, you do this often.

Layout mats, cutlines, headlines, and pictures—each presents problems in its own way. "Where should I put this picture?" "Does it give a balanced appearance to the page?" "What should I put in the copy?" These and many other questions would rush through your head.

The students on the staff preserve memories, both good and bad, of the entire year. That first school day, dances, mixers, sports activities, and any clubs you were in are all represented.

Careful planning is put into each picture, as in each section. The photographers show careful precision in each focus of school life which they present.

Demons Doom Us

Palo Duro opened its 1963 football season by being dropped by the Dumas Demons, the defending AAA State Champs.

The Dons played an exceptional game against the Demons, but it was simply a case of too much too soon. The Demons had more power in their line and had been practicing two weeks longer than the Dons had.

It was a hard fought battle, but the wear and tear of the Don Line began to show in the fourth quarter.

The Demons scored their last two touchdowns in the fourth quarter, cinching the game. The final score was Palo Duro 12 and Dumas 27.

Bulldogs Bite Fatal

In the first out-of-town clash, the Dons fell to the Midland Bulldogs 44-15. The Dons were once again over-powered by a larger and more-experienced line. This could have been what cost the Dons this game.

The Dons' defense just wasn't any match for the Bulldogs, and their defense seemed to do a good job holding our offense.

Dons Reap Harvesters

Palo Duro won its first conference game, downing the Harvesters of Pampa 26-8.

The Dons looked like an improved ball club playing this game. They were in control of the ball most of the game.

Mike Vachon scored the first touchdown which was followed minutes later by a 52-yard run by Mike Sackett.

Scoring in the second half was Carroll Arnold, after a 29-yard pass from Mike Vachon to David Nordquist. In the fourth quarter Bill Walton made the last touchdown from 14 yards out.

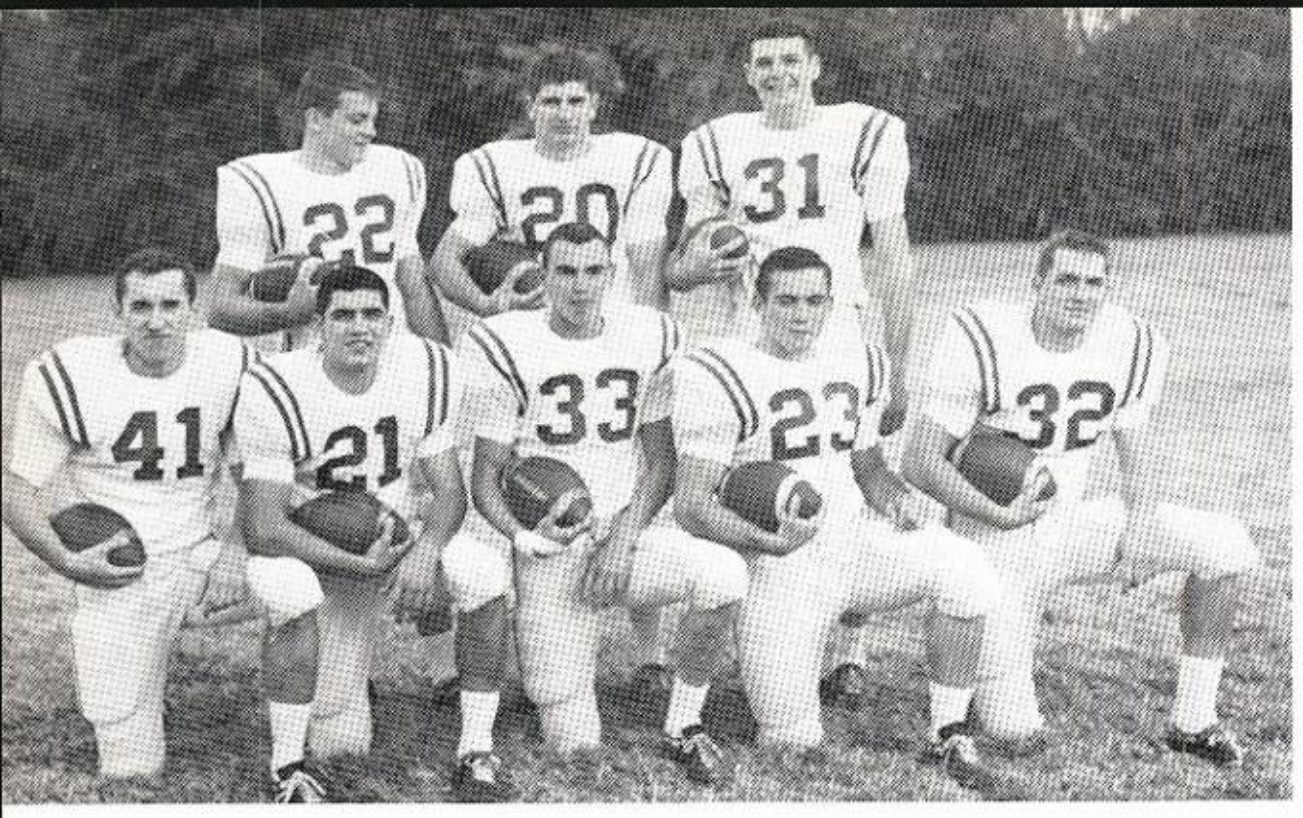
JUMPING FOR JOY – Larry Johnson, halfback, goes high after a pass in the Don-Midland game. The Dons were defeated 44-15.



Halfbacks standing are: Mike Sackett, Larry Johnson, and Phillip Walker. Kneeling are: Tom Kennedy, Phillip Fhardo, David May, Don Thomas, and Steve Pickard.

Dons Fall To Lubbock

The Dons suffered their first district loss against the Lubbock High Westerners.

The Westerners received a few lucky breaks which gave them this victory. The Dons fought long and furiously, but failed to change the final score which was Lubbock High 29 and Palo Duro 0.

Dons Crush Plainview

The Dons won their second district game by defeating the Plainview Bulldogs 35-16. The Dons fought hard against the Bulldogs and earned the victory.

The Bulldogs were leading at the half, but the Dons came back the second half to change this. Scoring for Palo Duro was Mike Vachon, Bill Walton twice, Henry Frizzell, and Mike Sackett on passes from Mike Vachon.

Dons Upend Borger

Palo Duro Dons edged the Borger Bulldogs 16-7 in what was termed the greatest upset in district 3-AAAA play this year.

Palo Duro had control of the game from the beginning. The Dons were an inspired team, and this was considered one of the greatest efforts by a team in years.

Phillip Walker and Mike Vachon did the scoring for Palo Duro. Mike Vachon also kicked a 41-yard field goal.

Rebels Take Dons

The Palo Duro Dons fell to the powerful Tascosa Rebels 36-0.

The Rebels, district 3-AAAA favorites, took control of the game from the beginning.

The Dons couldn't seem to move the ball well. Our defense couldn't hold the Rebel line. The Rebel defense kept the Dons from using their aerial attack. Their defensive line was too much for our offensive linemen.

Dons Drop Plainsmen

The Dons plastered the Plainsmen in what was a Don ballgame from kickoff.

The Dons were off to an early start as Bill Walton intercepted a pass at the Monterey 32. Several plays later, Mike Sackett caught a pass from Mike Vachon for the first touchdown.

The Dons took advantage of many Plainsmen miscues and recovered several fumbles. The final score was Palo Duro 35 and Monterey 7.

Dons Crush Caprock

The Palo Duro Dons dehorned the Caprock Longhorns 20-12, in the first District clash of the two team.

The Longhorns played the Dons a good game but it wasn't quite good enough. The Dons' defense held better than the Longhorns', and our offense did a better job of blocking.

Scorers for Palo Duro were Larry Johnson, Mike Sackett, and Bill Walton.

Dons Plaster Sandies

The Mighty Dons Dropped the Sandies in their last game of the season.

Palo Duro was sharp on defense this game and held the Sandies well. The Sandies were ahead at the half, but opening the second half, the Dons became a fired-up ball club and showed their determination to win the game.

The final score was Palo Duro 14 and Amarillo High 3.

TOUCHDOWN BOUND, NOPE – Philip Walker goes for a short gain during the Don-Borger game. The Dons won 16-7.

Dons Take Sandies Twice

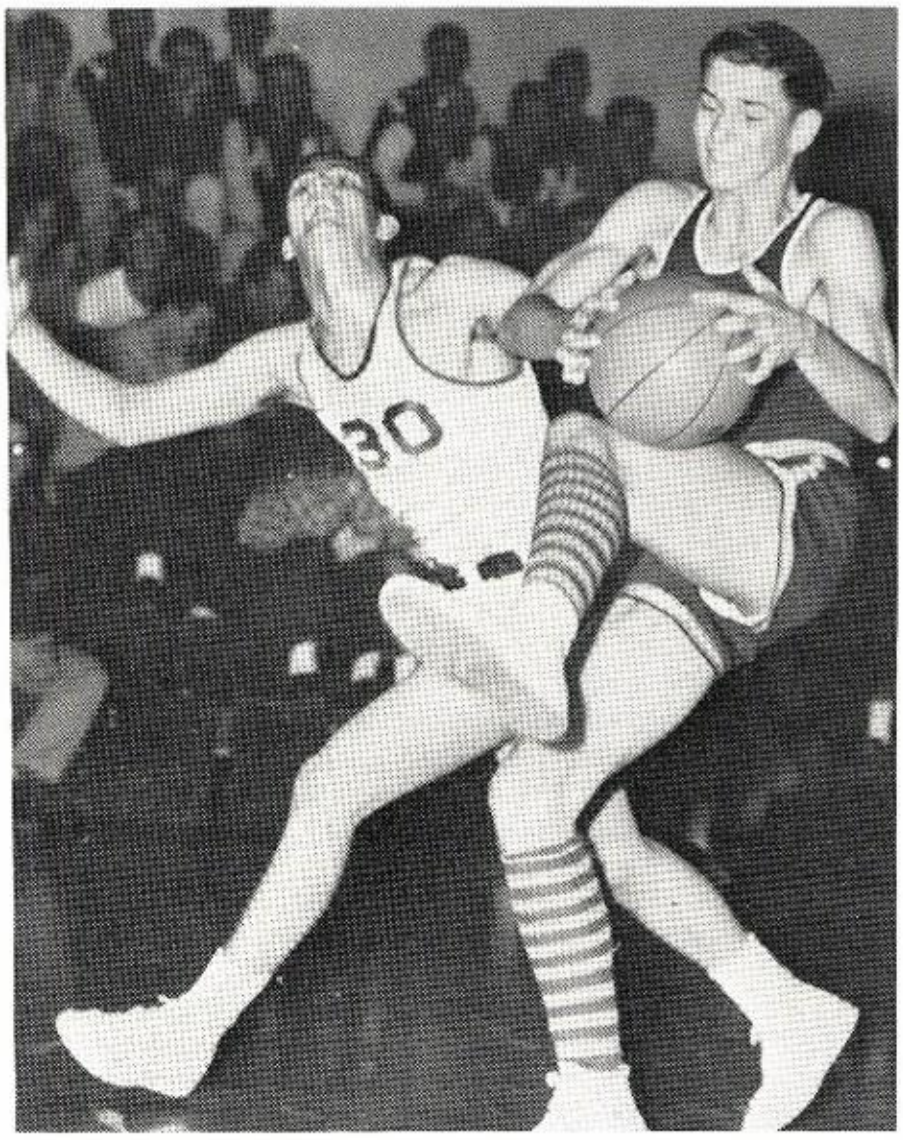
Opening the District 3-AAAA competition the Dons supported a 6-1 record. The Dons played an exceptional game and defeated the Sandies 65-56.

The Dons lost several good starters but this year they had added height and good team workmanship.

The Sandies had the lead during the first half and started the second half with a three-point advantage. The Dons played an even better second half and came on strong to defeat the Sandies. Leading scorer for the Dons was Terry Simpson with 22 points.

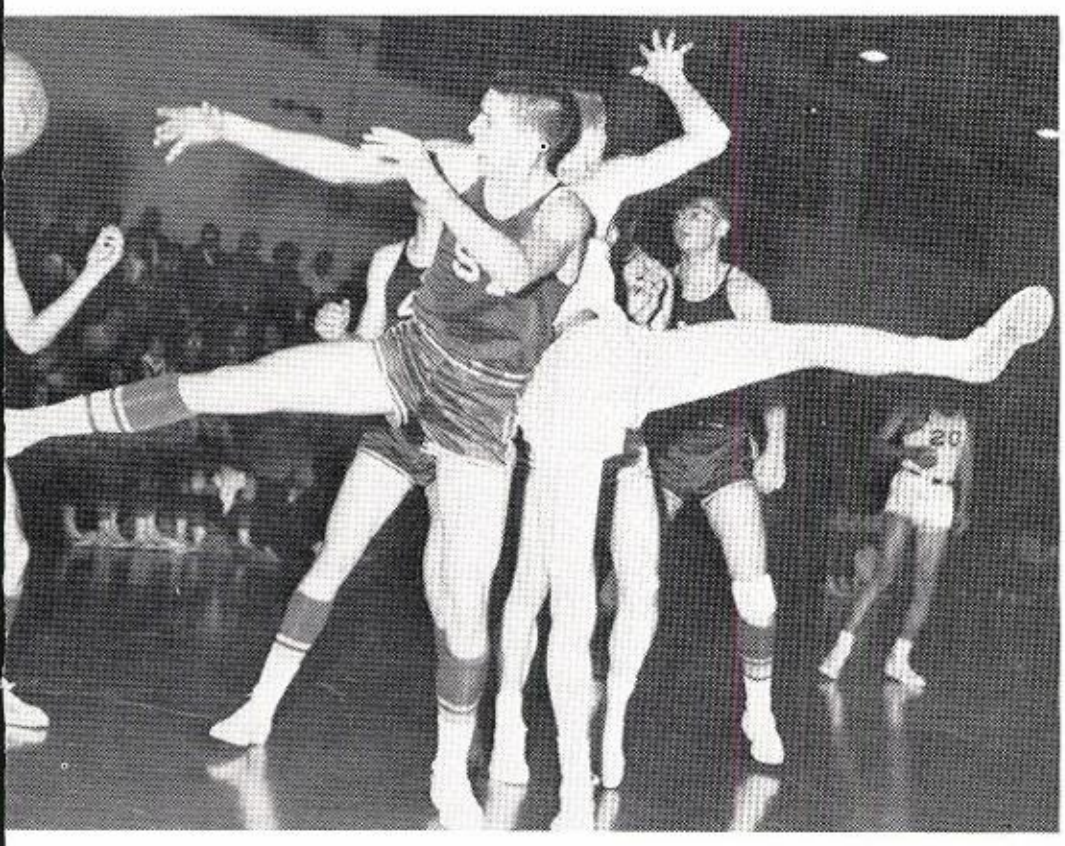
The Dons trailed only once during the second game and this came late in the first quarter. The Dons set out to win, and that they did. At the half Palo Duro had a three-point lead.

The Dons came on strong once again and downed the Sandies through a second half all team effort. Top scorer for the game was Mike Echols with 22 points.



HEY MAW – Gene Storrs, 30, attempts to take the ball away from a Sandie. The Dons won 65-56.

Palo Duro Falls to Plainsmen



BUMP! BUMP! CLICK, CLICK – Mike Echols and a Monterey Plainsman collide during the game.

The Dons suffered their first district loss to the Monterey Plainsmen, 60-30.

The Dons had a cold night in the Lubbock Colesium as they couldn't seem to get wound up. Terry Simpson, one of Palo Duro's top scorers was out for the game.

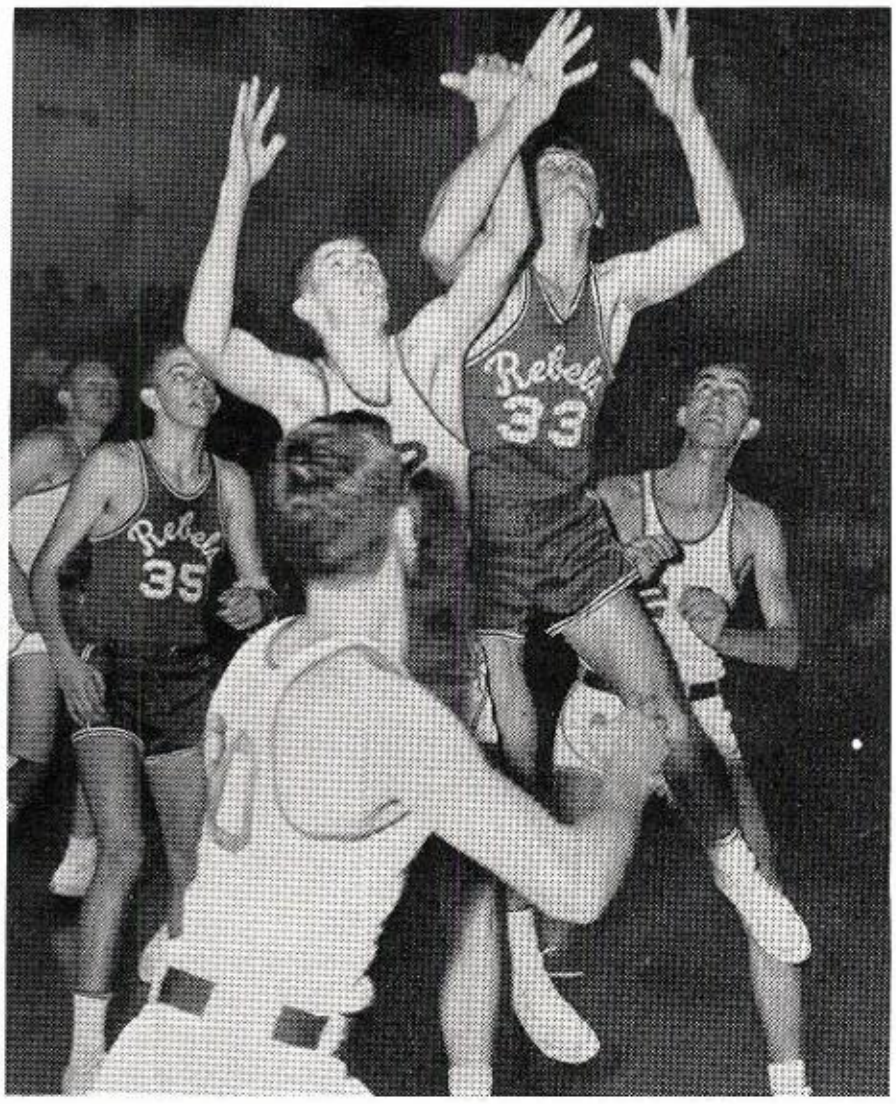
The Plainsmen held the Dons to seven points the second half.

Top scorer for the Dons was Tommy Cook with 12 points.

In the second meeting of the two teams the Dons were edged by two points.

The Dons led the district favorites throughout the first three periods of play. It looked as though the Dons were going to even their score with the Plainsmen but, the Dons ran into hard luck as Henry Hawley and Gene Storrs left the game on fouls. The Plainsmen soon jumped ahead making it 43-47. Terry Simpson sank one with nine seconds left in the game. Monterey took possession and ran the clock out.

Dons Split with Tascosa



THE SKY IS FALLING—Mike Echols goes up for a rebound, as Gene Storrs, 30, and Henry Hawley, 22, give their assistance.

The Palo Duro Dons dropped the Tascosa Rebels, 64-44 in their first meeting of the season.

The Dons were a fired-up ball club. They led throughout the first half and trailed only once during the game. The Dons showed good ball control the second half.

Leading in scoring for Palo Duro was Gene Storrs with 22 points.

In the second meeting of the two teams the Dons fell to the Rebels 69-62.

The Dons fought a rough and tough battle. Palo Duro had control of the game from the second quarter. The Dons commanded a 51-45 lead entering the last eight minutes.

Tascosa's Pat Harkins and Steve Platloc narrowed the lead to a 51-49. The Dons scored twice giving them a six point edge. During the last few minutes the lead changed in rapid succession but, as the final gun sounded the Rebels came out on top with a seven point edge.

Dons Shuck Harvesters Twice

The Dons dropped the Pampa Harvesters 60-58. The Don-Harvester was an interesting game as the lead changed 13 times between the two teams.

The Dons led by as much as eight points during the first half, while Pampa led by three at one point during the second half.

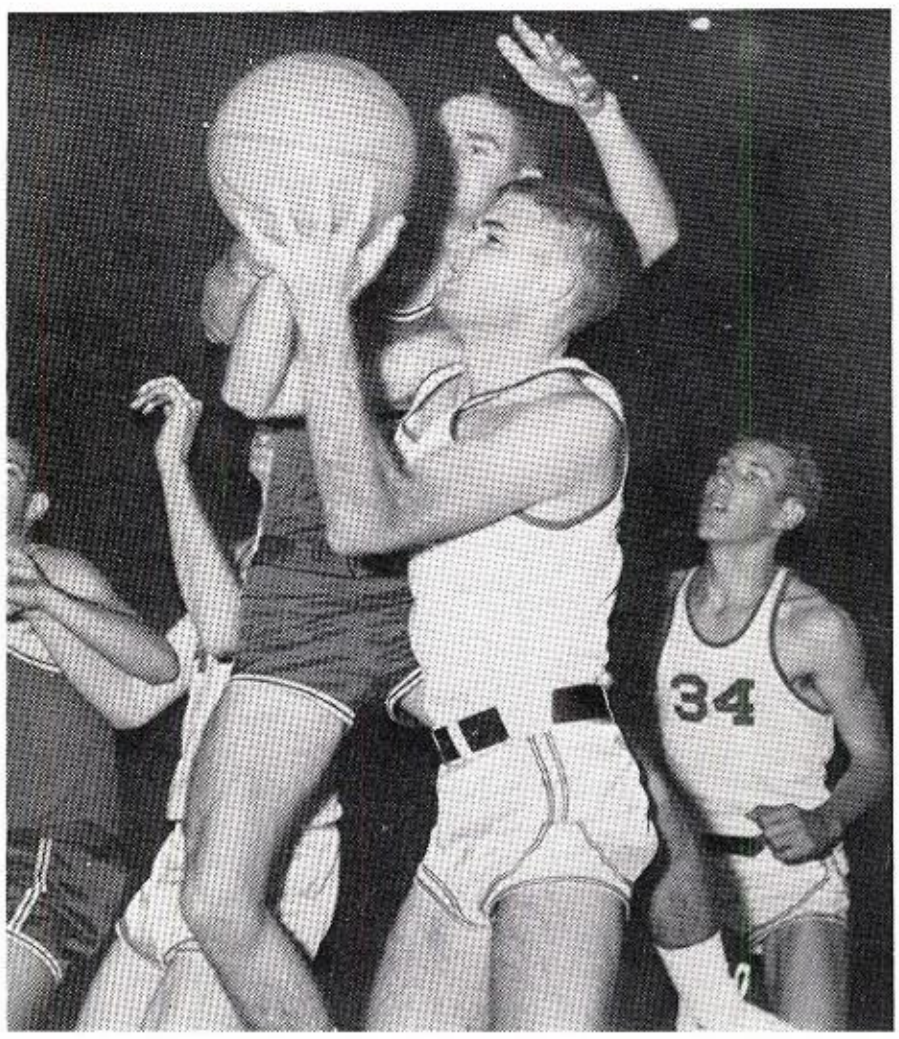
With 20 seconds remaining in the game, Pampa, trailing by two points, carried the ball to mid-court.

Gene Storrs stole the ball, but in the process of doing so was fouled. He hit the two free throws, which were enough to win the game.

Top scorer for Palo Duro was Gene Storrs with 17 points.

In their second meeting Palo Duro dropped the Harvesters 50-47. The Dons trailed at the end of the first quarter but lead at the half as well as the following quarter and the end of the game.

Top scorer for Palo Duro was Gene Storrs with 15 points.



I CAN FLY—Dickie Kelly is fouled as he attempts a jump shot in the Don-Harvester game.

Palo Duro Lassoed by Westerners

The Palo Duro Dons fell to the Lubbock Westerners 67-54 in the Lubbock Municipal Colliseum.

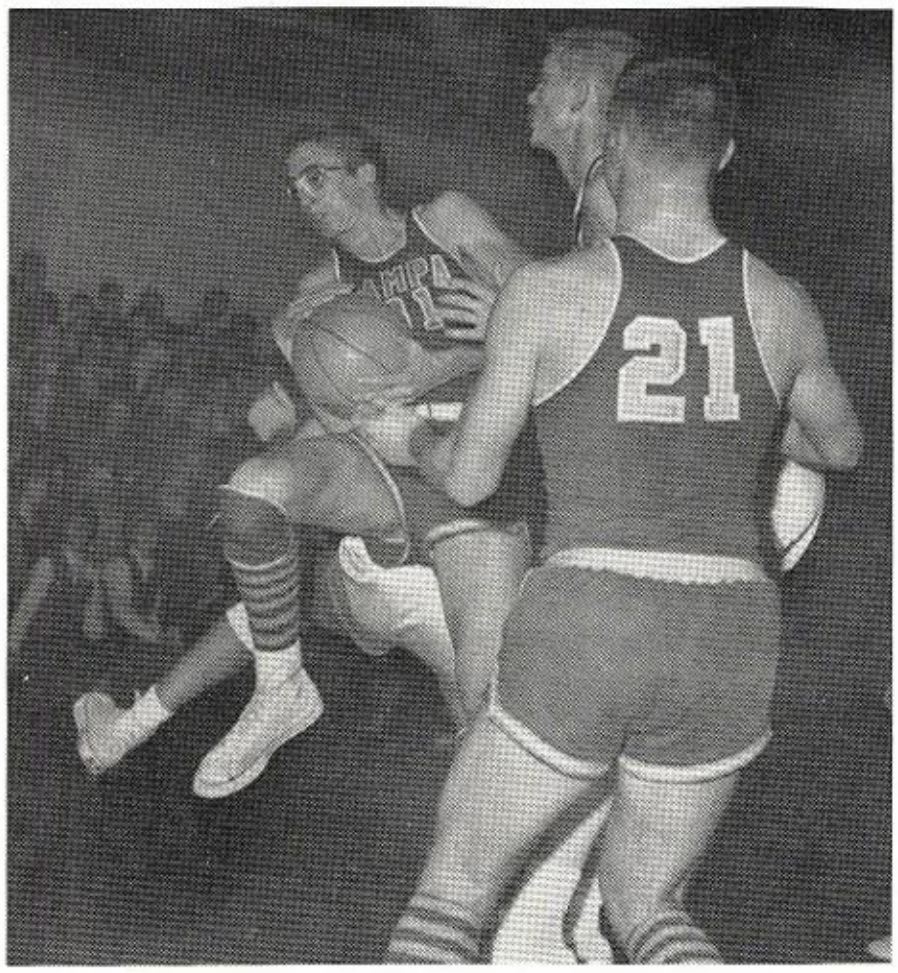
The Dons took the lead early in the game and had a 25-22 lead with 3:54 left in the first half. As the Westerners got a hot streak the Dons cooled off, never regaining the lead.

The Lubbock Westerners edged the Dons by two points in the second meeting of the two teams.

The Westerners determined not to lose a third game to an Amarillo team, jumped ahead early, as they commanded a 13 point lead at the half.

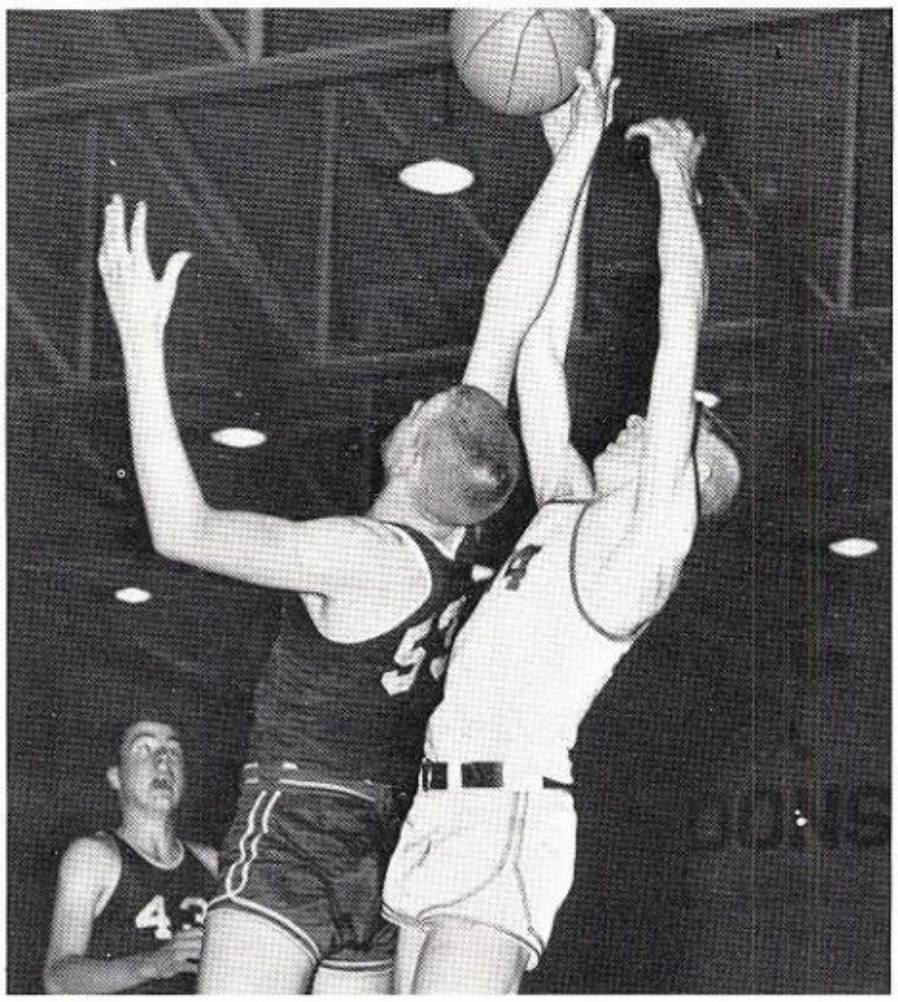
The mighty Dons put on their full court press slicing the score down to a 40-45 entering the fourth quarter.

Lubbock tried to combat the Dons' come-back by stalling but this failed as Palo Duro came on strong making the game 50 all. The lead changed several times during the last few minutes, but as the final gun sounded Palo Duro lost 56-54.



GIVE IT TO ME, OR I'LL HUFF AND PUFF AND!—Mike Echols tries desperately to take the ball away from his opponent.

Dons Break Even with Borger



TOSS UP—Mike Echols and opponent jump high for the ball.

The Palo Duro Dons fell to the Borger Bulldogs 51-34.

The Dons played a close first half trailing by only one point at the break. Then an ice-cold third quarter came for the Dons. Palo Duro scored only three points during the third quarter. At the end of the third period Palo Duro trailed 40-26.

The fourth quarter found the Dons even further behind, as they connected with only four field goals.

High point men for Palo Duro were Tommy Cook and Henry Hawley both scoring eight points.

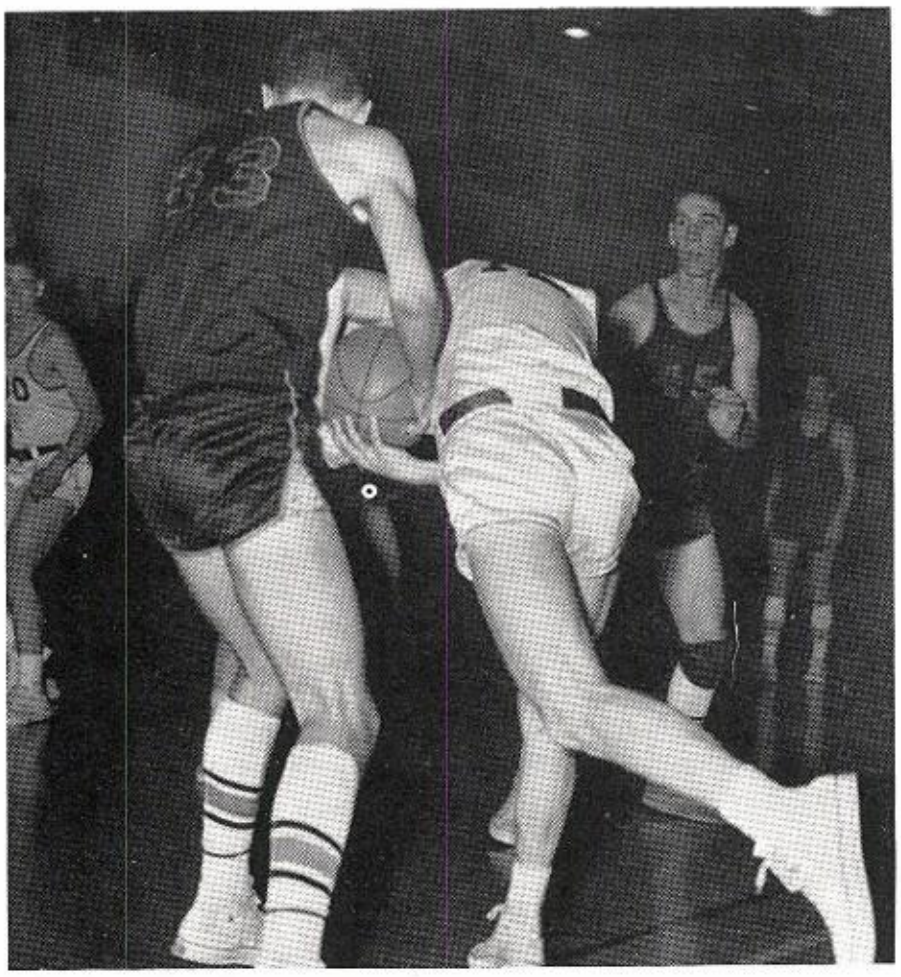
The Dons evened their score as they downed the Bulldogs 58-55.

The Dons played a good game as did the Bulldogs, but the Dons seemed to show a little more hustle and more of a desire to win.

The Dons led during the first three periods of play. They supported a three point lead going into the fourth quarter. The lead changed several times during the last few minutes of play. When the final horn had blown the Dons were on top by three points.

Top scorer for Palo Duro was Mike Echols with 21 points.

Palo Duro Stampedes Longhorns



IT'S MINE—Tommy Cook tries frantically to steal the ball from his opponent.

In the first meeting of the two schools Palo Duro downed the Caprock Longhorns 103-63, setting a new scoring record for our school.

The Dons led from the first of the game and controlled the game by 18 points at the half. Palo Duro became a fired up ball club and came on strong, never giving the Longhorns a chance. Terry Simpson, Senior guard, scored 46 points, shattering all previous scoring records. Terry hit 15 of 33 field goals, and 15 of 16 free throws.

In the second meeting of the two teams the Dons were once again victorious as the Longhorns fell to them, 82-55.

The Dons gave the Longhorns a tough time from the start as they used the zone press. The Longhorns were forced to shoot from way out. But the Dons were hot and the Longhorns weren't. Palo Duro led 52-27 at the half, and had a 66-40 third period lead.

Mike Echols led in the scoring with 20 points.

Bulldogs Prove Bite Worse Than Bark

The Palo Duro Dons were dropped by the Plainview Bulldogs 63-85 in the teams' first meeting of the season. Both teams were sharp on shooting, but the Bulldogs were sharper on getting the rebounds.

The Dons played a good game but they were just outshot from the court.

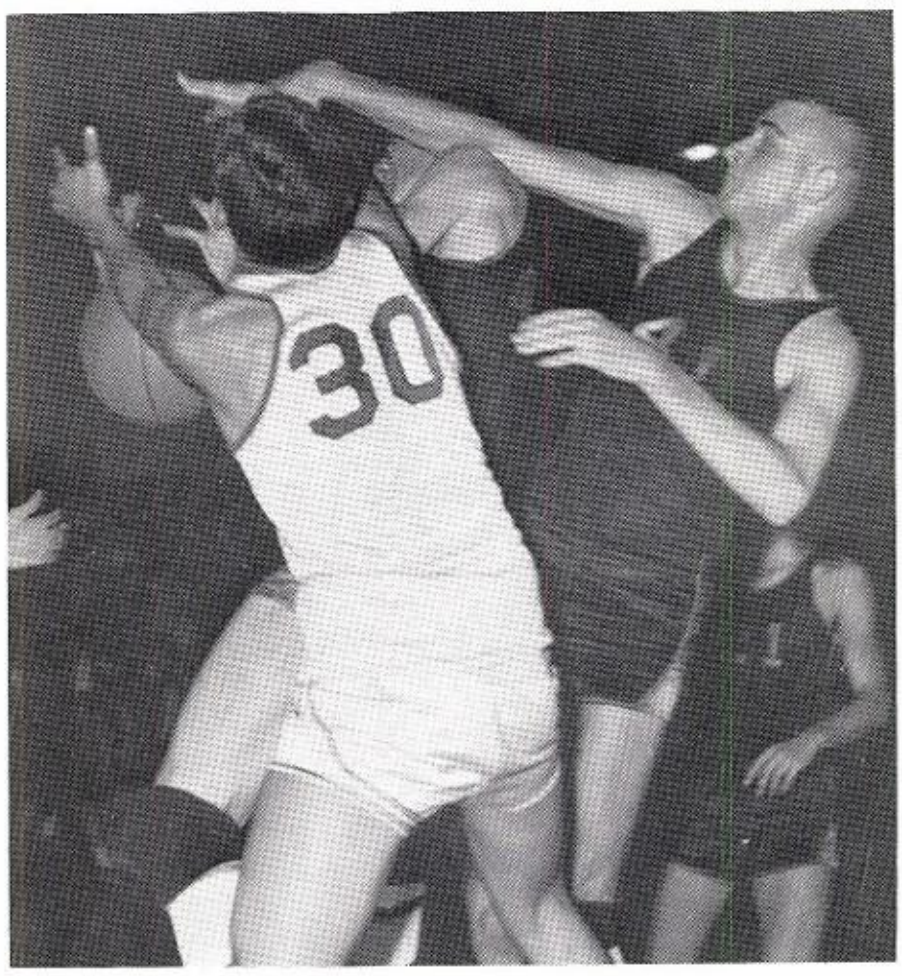
Top scorers for Palo Duro were Mike Echols with 18, and Henry Hawley with 14. Manuel Nagar led the scoring for the Bulldogs with 34 points.

Once again the Dons played a good game but it wasn't good enough, as the Bulldogs dropped them 85-70.

Palo Duro was hurt again because of Plainview's added height, as they received more of the rebounds than did Palo Duro.

Terry Simpson scored 30 points, but no matter how hard he or the rest of the Dons tried, it was useless.

Palo Duro wound up its district play with an 8-8 record, and for the season they had a 16-19 record.



HEX! HEX! HEX!—Gene Storrs tries to recover a loose ball in the Don-Bulldog game.

Bonnie, Dennis Chosen Mr. and Miss Palo Duro

Bonnie Chamberlain

A friendly smile and warm greeting meet all who come in contact with Miss Palo Duro for 1963-64, Bonnie Chamberlain. Because of her friendly spirit Bonnie has won the title of Smiler in her sophomore, junior, and senior years. Her classmates also elected her class favorite her sophomore and junior years. This year, Bonnie has proved to be an outstanding cheerleader, putting forth great effort to cheer the Dons, whether in victory or defeat. Bonnie is also an outstanding student in the dramatics and music departments. As a junior, she played a leading role in "The King And I" and was a member of the Los Cantantes choir and the special Madrigals choir. This year Bonnie was an active member of the newly-organized Thespians club and also played in the club's production of Thornton Wilder's "Our Town". Bonnie was also an active member of other school organizations including the Student Council and the National Honor Society. Bonnie's eagerness to help others was evident last year when she made carbon copies of all her history notes for a home-bound student. Bonnie is very active not only in school activities, but also in civic activities. She was the Palo Duro chairman of a March of Dimes candy sale this year and did a good job.

Dennis Anderson

Don Spirit is synonymous with Dennis Anderson, Mr. Palo Duro for the 1963-64 school year. Dennis spent a lot of his time spreading the spirit of the Dons as the Loyal Don. Dennis could be seen wearing the Don costume as he lead the football team on the field, urged Dons to yell at basketball games, or supervised yelling at pep rallies. He was also responsible for leading the school song and acquiring someone to give the invocations at basketball games. Besides his job as Loyal Don, he is also noted for his musical ability. He played the lead role in "The King And I" as a junior and was a member of the Los Cantantes choir for three years. Dennis took a leading part again in this year's musical "Oklahoma!" and was a member of the boys' quartet. He was vice-president of his sophomore class and president of his junior class. He was also a member of the Future Business Leaders of America club. Dennis is well-liked by everyone and was named runner-up to favorite in both his sophomore and junior years. His high scholastic ability is shown by his membership in National Honor Society. Dennis has always been noted for his willingness to do a job right and his friendly, helpful attitude. All his assets make Dennis an especially good Don and a wise choice for Mr. Palo Duro.

Dennis was chosen for this honor by popular vote of the students during the same school-wide election at which the Smilers were chosen. Supporting and assisting the cheerleaders and taking part in many pep rallies have been two of his numerous duties.

With a swish of his gleaming sword, he encouraged the crowd to demonstrate their spirit by yelling with the cheerleaders at both the football and basketball games. Dennis also obtained students to give invocations at basketball games and played a large part in leading the school song.

Because of his energy, dedication, and friendliness, Dennis has proved to be one of the most outstanding Loyal Dons yet, and one of whom Palo Duro can be truly proud.

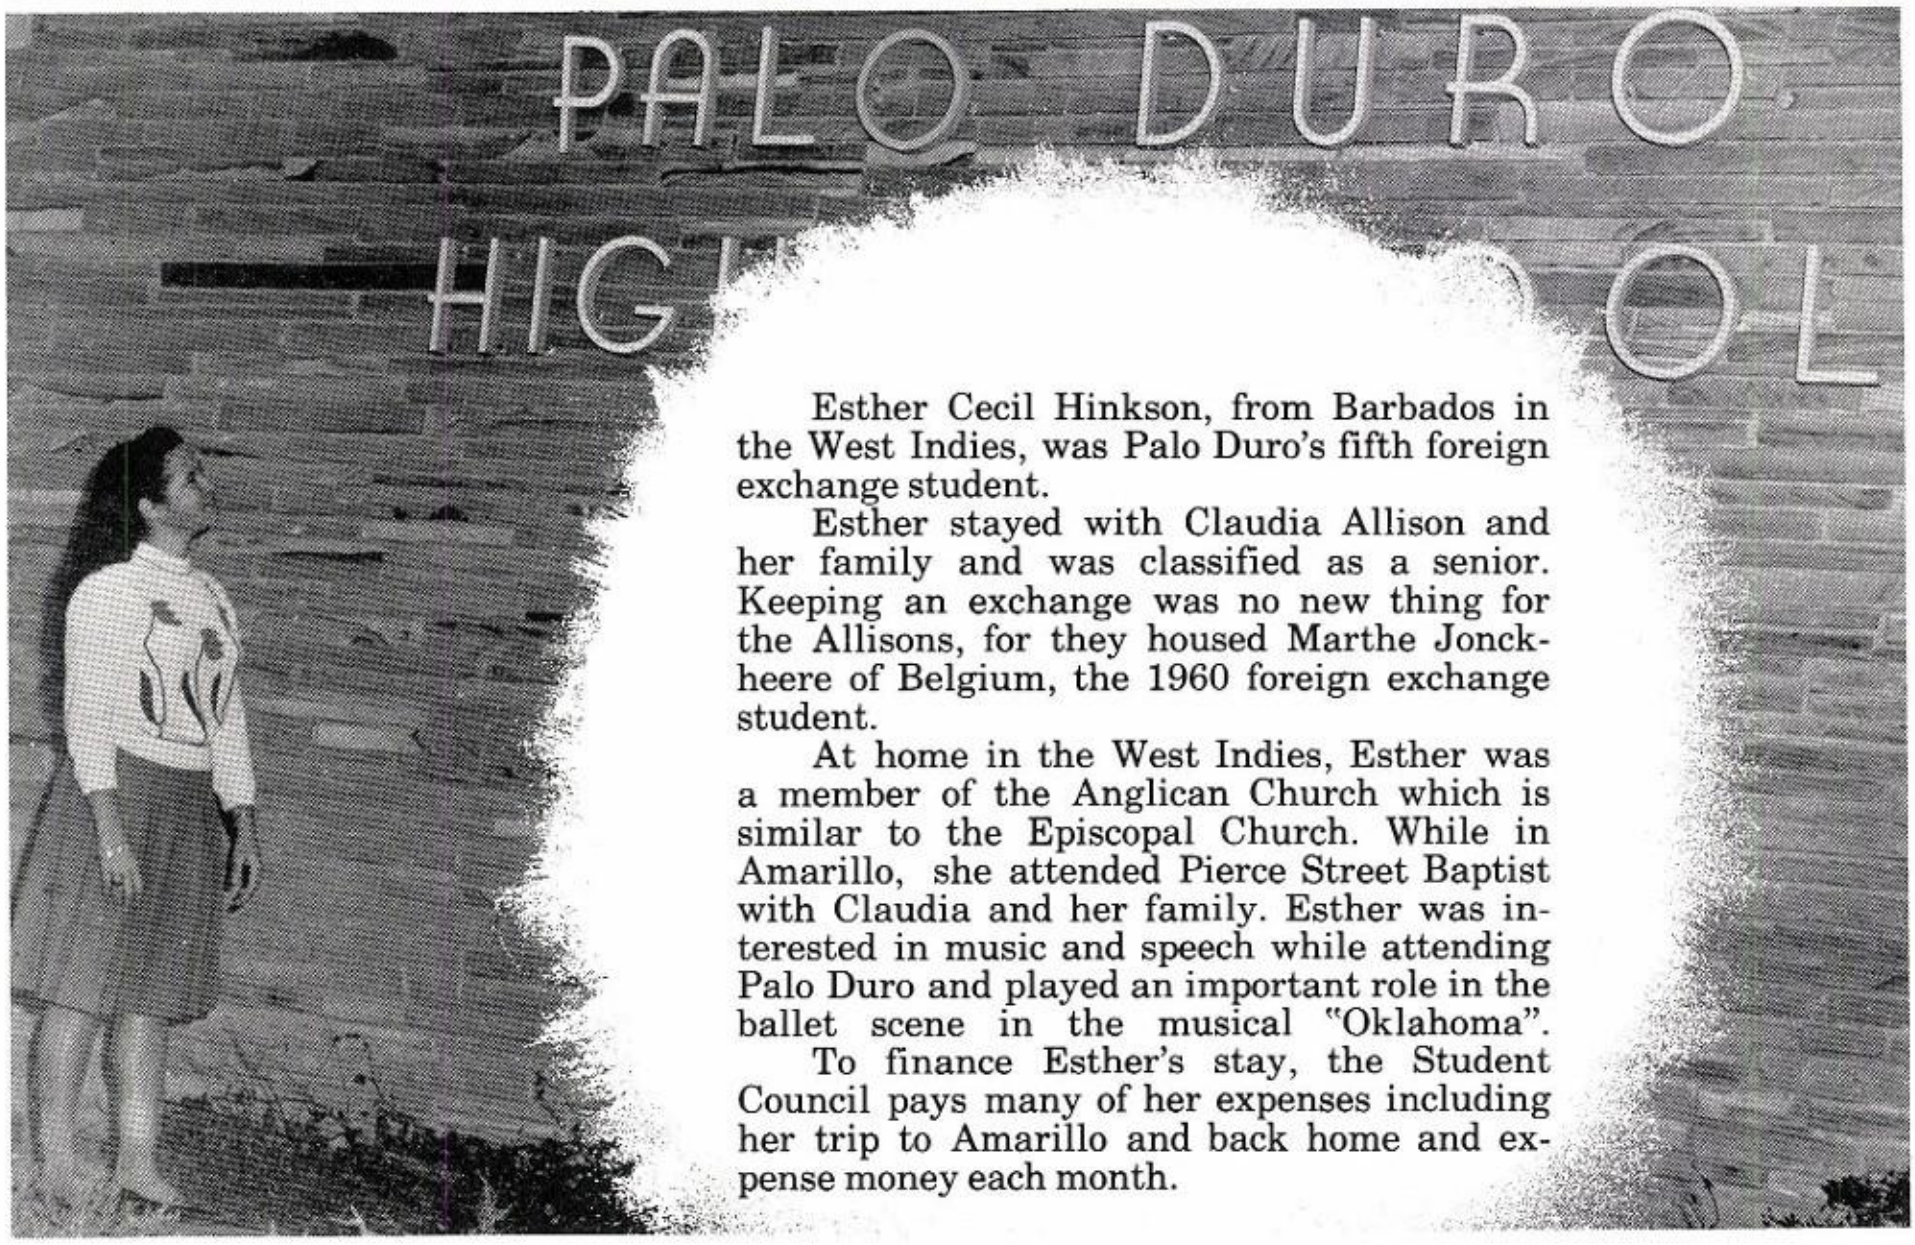
Esther Hinkson Comes from West Exchange



Esther Cecil Hinkson, from Barbados in the West Indies, was Palo Duro's fifth foreign exchange student.

Esther stayed with Claudia Allison and her family and was classified as a senior. Keeping an exchange was no new thing for the Allisons, for they housed Marthe Jonckheere of Belgium, the 1960 foreign exchange student.

At home in the West Indies, Esther was a member of the Anglican Church which is similar to the Episcopal Church. While in Amarillo, she attended Pierce Street Baptist with Claudia and her family. Esther was interested in music and speech while attending Palo Duro and played an important role in the ballet scene in the musical "Oklahoma".

Who's

Karen Corea

Karen Corea perhaps has one of the hardest jobs of anyone at Palo Duro. She is the person responsible for keeping an accurate account of the 1963-64 school year to be preserved in the school yearbook, the *Conquistador*. Karen is the Editor of the *Conquistador* and Assistant Editor of the Prairie Sage. She is a three year publication member and was News Editor of the newspaper last year.

Aside from her activities in publications, Karen is an active three-year student Council member and served as vice-president this year. Her high scholastic ability is shown through her membership in the National Honor Society where she serves as treasurer. In her sophomore year Karen was class secretary.

Karen is noted for her thoroughness and always does a good job of anything she undertakes.

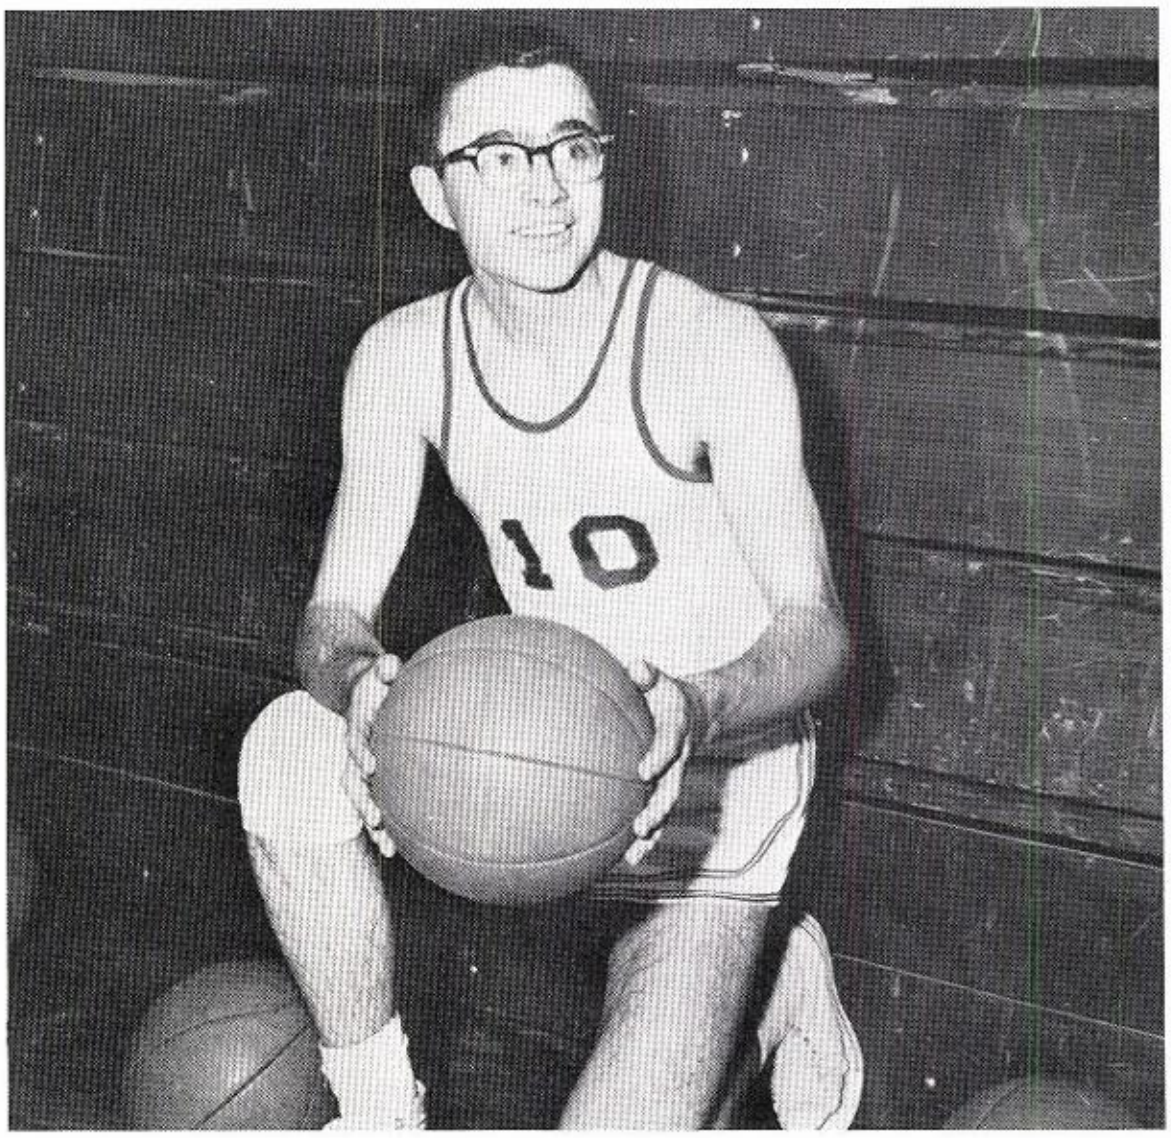
Terry Simpson

Terry Simpson is well known for the quiet, helpful way in which he has served Palo Duro.

In the athletics department he has displayed excellent ability. As a basketball player, Terry broke the district record for points scored during one game. This was the Caprock game in which he scored 46 points. Coach Tom Gilley has commented, "Terry is a great competitor and gives you everything he has." Terry also played baseball at Palo Duro for three years.

Terry Simpson has been a very active participant in the Palo Duro chapter of Future Farmers and served as president his senior year. Mr. Roland Baumhardt, sponsor, stated, "Terry Simpson is very earnest in all his endeavors."

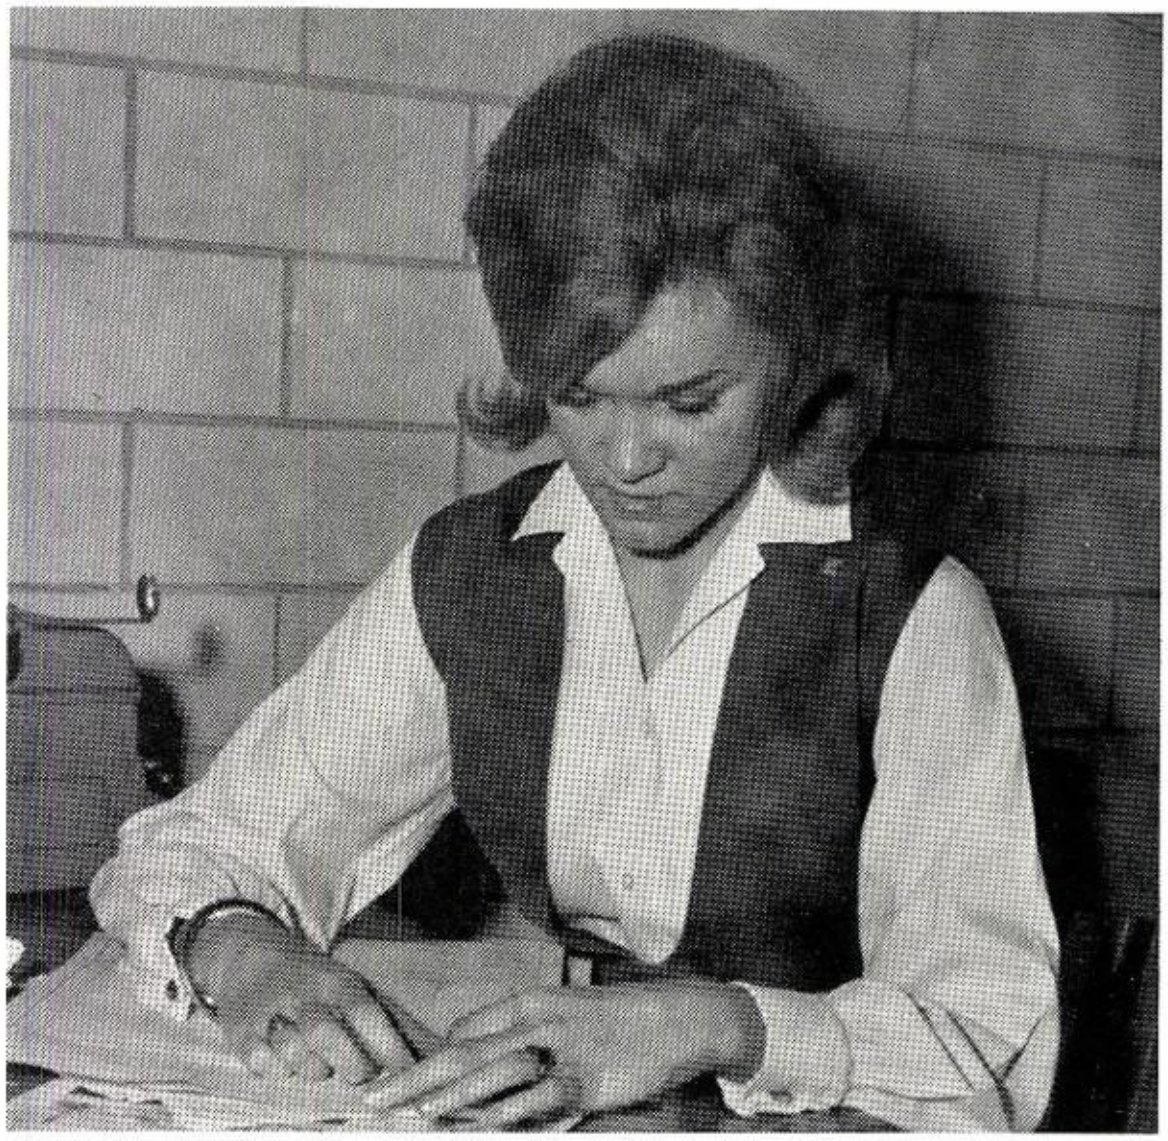
Besides these areas of service, Terry also helped as student assistant in chemistry, and president of his homeroom his senior year.

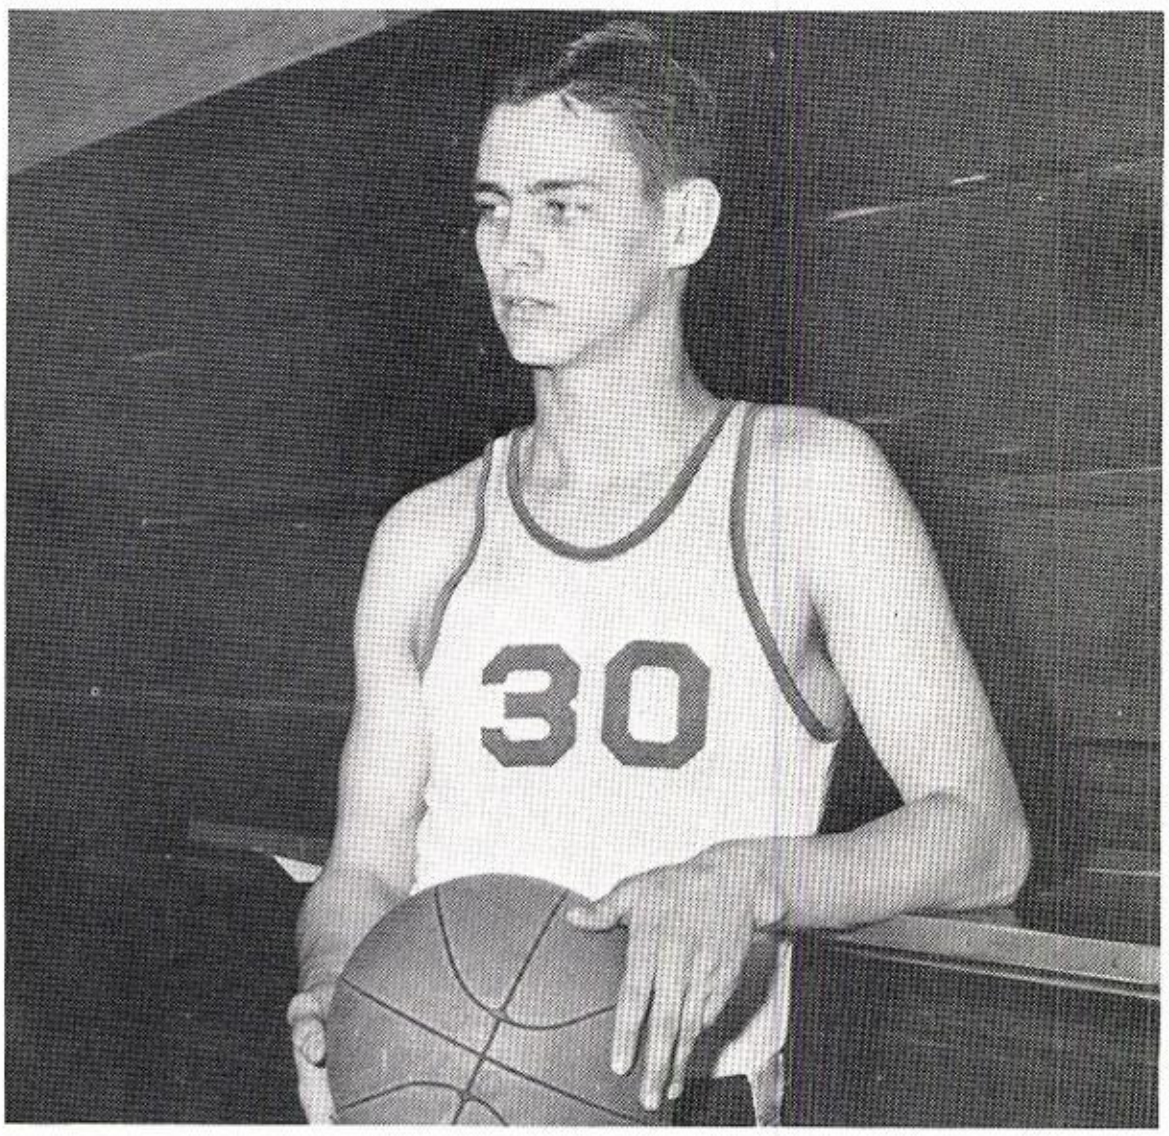


Who

Pam Lewis

Her quiet charm endears Pam Lewis to her fellow students and her teachers. Even though she is quiet, Pam has been active in many organizations throughout her years in high school. During her sophomore year, she served as vice-president of her homeroom. She was president of her homeroom during her junior and senior years. In the Student Council, Pam is chaplain and was in charge of Religious Emphasis Week. Pam is also in the Senior Council, is managing editor of the *Prairie Sage,* and is treasurer of Y-Teens. Pam was also honored by being chosen Dona of January and Honor Society favorite. Mr. William Wilson sums up all these qualities: "Pam Lewis has a wonderful disposition. She has consistently given service to the school, and is an outstanding person and student. Pam is dependable, congenial, and is well-liked and respected by fellow students."





Gene Storrs

Gene Storrs has made outstanding contributions in the field of athletics during his three years at Palo Duro. Basketball coach Tom Gilley has commented, "Gene has a lot of desire and a lot of hustle. He has been the key to the all club this years." Gene has also participated in baseball for three years.

Those who know Gene Storrs recognize him as an outstanding student in classroom work also, for he has maintained a high scholastic average throughout high school.

Trisha Miller

Trisha Miller has shown exceptional leadership and ability in many school functions. Although she participates in many of these she keeps her grades high, shown by the fact that she is a member of Honor Society.

She has been very active in Future Homemakers of America for the last three years. This year she serves as second vice-president. This year is her second year as member of the Student Council. Trisha was also honored by being selected Councilman of the Month. Trisha was awarded the coveted Daughters of the American Revolution Award and chosen as Dona for the month of September. Her highest honor of the year was being chosen FHA Sweetheart.

Joe Thompson

Student council activities occupy much of Joe Thompson's time. Joe served as President of the organization his senior year. As a junior he was chairman of the traditions and Ethics Committee in Student Council, and was also influential in getting N.E. 15 Street changed to Don Drive.

Joe also shows leadership ability in the Palo Duro band, in which he has participated for three years. As drum major his senior year, he led the band to the I rating they received at contest in Canyon.

Fellow students recognize Joe as a very studious person, for he is a member of National Honor Society and has been in major classes three years. Joe has also participated in Latin Club and Key Club and activities. Joe was also selected Don for the month of September. He is known to all of his fellow students as a gracious and friendly person with a great smile.

During her junior and senior years, Vicki was very active in Future Teachers of America. In her senior year she served as chaplain of the organization and was honored as club favorite. She has also been an active participant in Student Council and the Senior Council, as well as serving her senior class as councilman-at-large.

Active as she was in school activities, Vicki found time to uphold a high scholastic average, as she is a member of National Honor Society.

Larry Silvey

Larry promoted the Key Club as Senior Director and was responsible for doing the goal posts for the football games. As a member of Student Council, he was appointed chairman of the social committee his senior year. He was in charge of decorations and plans for the Christmas dance, and the decorations for the football banquet. Larry was also an active member of National Honor Society and Future Teachers of America. In November he was honored as Don of the month.

After Don Drive Are Other Roads

The 1963-64 year has come to an end on Don Drive. Those who have graduated will never travel Don Drive again and will find it necessary to choose another road. But, whether you choose the road to college, a job, the service, or whatever, or whether you are among those who return to Palo Duro next year, we hope that this book contains your most exciting memories on Don Drive and that each time you look through it, you will be reminded of one of the best years of your life — your year on Don Drive.
